AGE DETERMINATION TABLE										
<p>To find the person's age, locate the decade of their year of birth on the left hand column, and the last number of their year of birth in the row which goes across the top. If that person has had a birthday already this year before the date of the interview, their age is the number in the upper left corner of the box. If they have not yet had a birthday in the year of the interview, their age is the lower of the two numbers in the box.</p>
