22.			1	2	1	2	3	4	5			1	2	3	4	1	2	3	4	5		
23.			1	2	1	2	3	4	5			1	2	3	4	1	2	3	4	5		

PART 2 (GD) GEOGRAPHIC AND DEMOGRAPHIC DATA

PLEASE PROVIDE GENERAL INFORMATION ON THE ISSUES OF LOCATION, POPULATION AND LAND USAGE OF YOUR SETTLEMENT

GD.1. Which of the below listed types characterize in the best way the relief of your settlement?		Littoral	Lowland	Foothill	Upland	Highland	Semidesert	Others (specify)
		1	2	3	4	5	6	
GD.2. What is the area of your settlement?						Hectars		
GD.3. Do any internally displaced people live in the settlement?					Yes	No		
					1	2→GD6		
GD.4. How many internally displaced families live there?						Families		
GD.5. How many internally displaced persons live in this settlement?						Internally displaced persons		
GD.6. How many persons in the settlement are original population without internally displaced persons and the persons who have left it permanently						Persons		
GD.7. How many households live presently in the settlement (including internally displaced persons)?						Households		
GD.8. What is the language spoken by the majority of the residents in your settlement? (Circle one answer only)								
a.	Georgian	1						
b.	Azeri	2						
c.	Armenian	3						
d.	Russian	4						
e.	Other (specify)							
GD.9. Basically for what purpose are the land resources of your settlement utilized?		The most common usage	Rather common usage	Rare usage, but popular	Such usage is very rare	Such usage is not popular with anybody		
GD.9.1. For pasture		1	2	3	4	5		
GD.9.2. As grassland		1	2	3	4	5		
GD.9.3. For one year crops		1	2	3	4	5		
GD.9.4. For multi-year crops		1	2	3	4	5		
GD.9.5. For residential purposes		1	2	3	4	5		
GD.9.6. For production purposes		1	2	3	4	5		
GD.9.7. For commercial purposes		1	2	3	4	5		
GD.9.8. For recreation purposes		1	2	3	4	5		
GD.9.9. Covered with forest		1	2	3	4	5		
GD.9.10. For other purposes (specify)		1	2	3	4	5		

GD.10. The questions were responded by:

GD.10.1. Number of responder I — Name _____

GD.10.2. Number of responder II — Name _____

GD.10.3. Number of responder III — Name _____

GD.10.4. Number of responder IV — Name _____

PART 3 (CI) UTILITIES INFRASTRUCTURE

NOW WE WOULD LIKE YOU TO PROVIDE INFORMATION ON THE STATUS OF INFRASTRUCTURE, REQUIRED BY YOUR POPULATION.

CI.1. Mainly how was electric power delivered to your settlement during the last month? (One answer)

1. Uninterruptedly during 24 hours
2. By schedule
3. Without order
4. Was not supplied

CI.2. What are the sources of drinking water supply?	CI.3. What is the significance of indicated water source				CI.4. What is the quality of supplied water?			CI.5. What is the periodicity of water supply?							CI.6. Do you pay the price of water?		CI.7. How much do you pay?	
	The only source	Basic source	Is less important	There is no such source	It is drinkable	Its quality is not very good	It is undrinkable	Uninterruptedly during the year	Uninterrupted in winter, with restrictions in summer	With restrictions in winter, doesn't work in summer	With restrictions during summer and winter	With serious obstacles in winter and summer	System doesn't work	Yes	No	Lari	Unit or period (indicate)	
1. Central water supply	1	2	3	4 ↓	1	2	3	1	2	3	4	5	6	1	2 ↓			
2. Well (including blowing well)	1	2	3	4 ↓	1	2	3	1	2	3	4	5	6	1	2 ↓			
3. From pumping station	1	2	3	4 ↓	1	2	3	1	2	3	4	5	6	1	2 ↓			
4. Natural source	1	2	3	4 ↓	1	2	3	1	2	3	4	5	6	1	2 ↓			
5. River, spring, lake	1	2	3	4 ↓	1	2	3	1	2	3	4	5	6	1	2 ↓			
6. Take from neighboring village	1	2	3	4 ↓	1	2	3	1	2	3	4	5	6	1	2 ↓			
7. Others (specify)	1	2	3	4	1	2	3	1	2	3	4	5	6	1	2			
CI.8. Approximately how many households of the settlement are connected to the telephone network?																Households		

CI.9. Does your settlement represent a mobile telecommunications coverage zone?

1. Yes
2. No → CI.11

CI.10. Approximately how many residents of the settlement have mobile phones?

(Write in) _____ per cent

CI.11. Responses to the questions were given by

CI.11.1. Number of respondent I — Name _____

CI.11.2. Number of respondent II — Name _____

CI.11.3. Number of respondent III — Name _____

CI.11.4. Number of respondent IV — Name _____

PART 4 (TR) TRANSPORT

NOW WE REQUEST YOU TO PROVIDE INFORMATION ON THE TRANSPORT SERVICING IMMEDIATELY YOUR SETTLEMENT

TR.1.1. Does public minibus provide service to your settlement?				TR.1.2. What is the periodicity of movement of minibus ?							TR.1.3. How long does travel take?		TR.1.4. What is the average travel fee ?	
	Yes	No	It itself is a center	Permanently	Per hour	Per day	Per week	Per month	-Times	Hours	Minute	Lari	Tetri	
1. To district center	1	2	3 ↓	1	2	3	4	5						
2. To regional center	1	2	3 ↓	1	2	3	4	5						
3. To Tbilisi	1	2		1	2	3	4	5						
4. Within the settlement	1	2		1	2	3	4	5						
5. Outside the country's border	1	2		1	2	3	4	5						

TR.2.1. Does public bus provide service to your settlement?				TR.2.2. What is the periodicity of movement of bus ?							TR.2.3. How long does travel take?		TR.2.4. What is the average travel fee ?	
	Yes	No	It itself is a center	Permanently	Per hour	Per day	Per week	Per month	-Times	Hours	Minute	Lari	Tetri	
1. To district center	1	2	3 ↓	1	2	3	4	5						
2. To regional center	1	2	3 ↓	1	2	3	4	5						
3. To Tbilisi	1	2		1	2	3	4	5						
4. Within the settlement	1	2		1	2	3	4	5						
5. Outside the country's border	1	2		1	2	3	4	5						

TR.3. How long does it take to travel by car from your settlement to the following directions ?(If the survey is conducted in the below listed settlements, then write « 0 » in the box of Hour/Minute)	Hour	Minute	No one travels to these directions	Travel time in winter		No one travels to these directions in winter
				Hour	Minute	
TR.3.1. To Tbilisi			99			99
TR.3.2. To Akhaltsikhe			99			99
TR.3.3. To Akhalkalaki			99			99
TR.3.4. To Aspindza			99			99
TR.3.5. To Ninotsminda			99			99
TR.3.6. To Tsalka			99			99
TR.3.7. To Tetritskaro			99			99
TR.3.8. To the border of Turkey			99			99
TR.3.9. To the boarder of Armenia			99			99
TR.3.10. To the major market of your settlement			99			99
TR.3.11. To the major market of your district			99			99
TR.3.12. To the major market of your region			99			99

TR.4. How long does it take to travel by truck from your settlement to the following directions? (If the survey is conducted in the below listed settlements, then write « 0 » in the box of Hour/Minute)	Hour	Minute	No one travels to these directions	Travel time in winter		No one travels to these directions in winter
				Hour	Minute	
TR.3.13. To Tbilisi			99			99
TR.3.14. To Akhaltsikhe			99			99
TR.3.15. To Akhalkalaki			99			99
TR.3.16. To Aspindza			99			99
TR.3.17. To Ninotsminda			99			99
TR.3.18. To Tsalka			99			99
TR.3.19. To Tetritskaro			99			99
TR.3.20. To the border of Turkey			99			99
TR.3.21. To the boarder of Armenia			99			99
TR.3.22. To the major market of your settlement			99			99
TR.3.23. To the major market of your district			99			99
TR.3.24. To the major market of your region			99			99

TR.5. Responses the questions were given by

TR.5.1 Number of respondents I ——— Name —————

TR.5.2 Number of respondents II ——— Name —————

TR.5.3 Number of respondents III ——— Name —————

TR.5.4 Number of respondents IV ——— Name —————

PART 5 (RD) ROADS

RD.1. Please tell us what kinds of roads are there leading to your settlement?	RD.1.1. Currently (indicate one)	RD.1.2. Please indicate the year that this road was last repaired or paved.
1. Completely covered with asphalt	1 →	
2. Basically covered with asphalt, a part of it covered with gravel	2 →	
3. Only part of it is covered with asphalt, is basically covered with gravel	3 →	
4. Completely covered with concrete	4 →	
5. Basically covered with concrete, a part of it covered with gravel	5 →	
6. Only part of it is covered with concrete, is basically covered with gravel	6 →	
7. Is completely covered with gravel	7 →	
8. Is basically covered with gravel, part of it covered with dirt road	8 →	
9. Is basically a dirt road, part of it is covered with gravel	9 →	
10. Is completely a dirt road	10 →	
11. Is basically a dirt road, part of it are pathways	11 →	
12. Consists basically of footpaths, part of it is a dirt road	12 →	
13. There are only pathways	13 →	
14. Others (indicate) -----	14 →	

RD.2. Please tell us what kinds of roads are there within your settlement?	RD.2.1. Currently (indicate one)	RD.2.2. Please indicate the year that this road was last repaired or paved.
1. Completely covered with asphalt	1 →	
2. Basically covered with asphalt, a part of it covered with gravel	2 →	
3. Only part of it is covered with asphalt, is basically covered with gravel	3 →	
4. Completely covered with concrete	4 →	
5. Basically covered with concrete, a part of it covered with gravel	5 →	
6. Only part of it is covered with concrete, is basically covered with gravel	6 →	
7. Is completely covered with gravel	7 →	
8. Is basically covered with gravel, part of it covered with dirt road	8 →	
9. Is basically a dirt road, part of it is covered with gravel	9 →	
10. Is completely a dirt road	10 →	
11. Is basically a dirt road, part of it are pathways	11 →	
12. Consists basically of footpaths, part of it is a dirt road	12 →	
13. There are only pathways	13 →	
14. Others (indicate) -----	14 →	

RD.3. Please tell us, if possible, what is the condition of below listed roads in your settlement	In very good condition	In good condition	In bad condition	In very bad condition
The roads, leading to the settlement	1	2	3	4
The roads within the settlement	1	2	3	4

RD.4. Please specify for which seasons throughout the year light and heavy transport can move freely on the roads to your settlement.	RD.4.1. Currently	RD.4.2. In 2005	RD.4.3. In 2000
During the whole year for both light and heavy transport	1	1	1
For heavy transport during the whole year, for light transport only in summer	2	2	2
For heavy transport during the whole year, for light transport only in dry weather	3	3	3
For heavy transport only in summer, for light transport movement is difficult even in summer	4	4	4
For heavy transport only in dry weather, for light transport it is always difficult	5	5	5
Movement is difficult for all types of transport in all seasons, and impossible in winter	6	6	6
Movement is possible only by special transport	7	7	7
Others -----	8	8	8

RD.5. Has there been road construction on major roads:	RD.5.1. In the last 12 months	RD.5.2. From 2006 until 12 months ago
Within your settlement	1	1
Within 10 kilometers of your settlement	2	2
On roads leading from your settlement, within your district	3	3
None	4	4

RD.6. Have there been road closures on major roads for more than a week:	RD.6.1. In the last 12 months	RD.6.2. From 2006 until 12 months ago
Within your settlement	1	1
Within 10 kilometers of your settlement	2	2
On roads leading from your settlement, within your district	3	3
None	4	4

RD.7. What was the cause or causes of the closure? (write in)

RD.8. Responses to the questions were given by

RD.8.1. Number of respondent I — Name -----

RD.8.2. Number of respondent II — Name -----

RD.8.3. Number of respondent III — Name -----

RD.8.4. Number of respondent IV — Name -----

PART 6 (AD) AGRICULTURE

AD.1. Basically in the following spheres, how common is the employment of the population living in your settlement?		Almost all families are involved in this sphere	Quite a few of them are involved in this sphere	Some involvement but only rarely	There may be only one or two persons employed in this sphere	We have no such cases here
AD.1.1.	Agriculture, forestry, hunting, fishing					
AD.1.1.1.	Agriculture, farming	1	2	3	4	5
AD.1.1.2.	Agriculture, stock raising	1	2	3	4	5
AD.1.1.3.	Forestry	1	2	3	4	5
AD.1.1.4.	Hunting, fishing	1	2	3	4	5
AD.1.2.	Mining	1	2	3	4	5
AD.1.3.	Processing industry	1	2	3	4	5
AD.1.4.	Energy, water supply, gas supply					
AD.1.4.1.	Energy	1	2	3	4	5
AD.1.4.2.	Water supply	1	2	3	4	5
AD.1.4.3.	Gas supply	1	2	3	4	5
AD.1.5.	Construction	1	2	3	4	5
AD.1.6.	Trade and consumer services					
AD.1.6.1.	Wholesale trade	1	2	3	4	5
AD.1.6.2.	Big retail trade	1	2	3	4	5
AD.1.6.3.	Small trade	1	2	3	4	5
AD.1.6.4.	Repair of consumer goods	1	2	3	4	5
AD.1.6.5.	Consumer services (barber, sewer, etc.)	1	2	3	4	5
AD.1.7.	Hotels, restaurants and object of public catering					
AD.1.7.1.	Hotels	1	2	3	4	5
AD.1.7.2.	Restaurants and object of public catering	1	2	3	4	5
AD.1.8.	Transport and communications	1	2	3	4	5
AD.1.9.	Banks and finances	1	2	3	4	5
AD.1.10.	Realty operations, publishing business, etc.	1	2	3	4	5
AD.1.11.	Public administration bodies	1	2	3	4	5
AD.1.12.	Educations	1	2	3	4	5
AD.1.13.	Health care	1	2	3	4	5
AD.1.14.	Others (indicate) -----	1	2	3	4	5
AD.1.15.	Others (indicate) -----	1	2	3	4	5
AD.1.16.	Others (indicate) -----	1	2	3	4	5

AD.2. How common is the leasing of the land in your settlement from the below listed owners?	Very common	More or less common	Less Common	Nothing like this occurs here
AD.2.1. From government	1	2	3	4
AD.2.2. From private owner	1	2	3	4

AD.3.-AD.8. RESPONSES TO THE QUESTIONS ARE GIVEN ONLY BY THOSE SETTLEMENTS, WHICH HAVE ENCIRCLED 1 OR 2 IN QUESTION AD.1.1.1 OR AD.1.1.2

AD.3. Please answer to several questions concerning land usage. How common are the below listed types of land usage for economic purposes among the households living in your settlement	This is practiced by almost all families	Such cases are rather frequent	Such cases occur occasionally	Such cases may occur only singularly	Nothing like this occurs here
AD.3.1. Farming of individual land plots available in this settlement	1	2	3	4	5
AD.3.2. Farming of individual land plots available in some other settlement	1	2	3	4	5
AD.3.3. Leasing of land with payment of fixed rent	1	2	3	4	5
AD.3.4. Leasing of land by reimbursement with part of the yield	1	2	3	4	5
AD.3.5. Renting of individual land to receive monetary rent	1	2	3	4	5
AD.3.6. Renting of individual land to receive part of the yield	1	2	3	4	5
AD.3.7. Are employed in agriculture	1	2	3	4	5

AD.4. Please respond to several questions concerning land resources in your settlement			
AD.4.1. How many hectares are there of total farm arable area?			hectares
AD.4.2. How many hectares are there of total nonfarm area?			hectares
AD.4.3. How many hectares of arable area is in private property?			hectares
AD.4.4. How many hectares of pasture are owned on average by one household of your settlement?			hectares
AD.4.5. How many hectares of land has been transferred to the ownership of households as a result of privatization?			hectares
AD.4.6. Is there on the territory of your settlement the land owned by local administration?	Yes	No	If not → to question AD.6
	1	2	
AD.4.7. Which part of the total land constitutes the land, owned by the local administration?			percent

AD.5. For what purposes is the land owned by local administration covered or used? <i>(Circle any possible answers)</i>	For pasturage	As grassland	For one year crops	For perennial crops	For residential purposes	For production purposes	For commercial purposes	For recreation purposes	Covered with forest	For other purposes
AD.5.1. Currently	1	2	3	4	5	6	7	8	9	10
AD.5.2. In 2005	1	2	3	4	5	6	7	8	9	10
AD.5.3. In 2000	1	2	3	4	5	6	7	8	9	10

Please provide, if possible, information on farming products, produced by your population

AD.6. Which crops are spread?				AD.6.1 Approximatly how many households grew crops during last 12 months	No information (Don't read)	Not possible to grow due to climate or other factors
		Are widely spread	Rarely, but are available	Are not spread at all		
1 .	Wheat	1	2	3		99 88
2 .	Corn	1	2	3		99 88
3 .	Vineyard	1	2	3		99 88
4 .	Vegetables	1	2	3		99 88
5 .	Melons and gourds	1	2	3		99 88
6 .	Potatoes	1	2	3		99 88
7 .	Seeded fruit (apple, pear..)	1	2	3		99 88
8 .	Drupaceous fruit (peach)	1	2	3		99 88
9 .	Tangerines	1	2	3		99 88
10	Tea	1	2	3		99 88
11	Oranges	1	2	3		99 88
12	Lemon	1	2	3		99 88
13	Nuts	1	2	3		99 88
14	Others (name)	1	2	3		99 88

Please provide, if possible, information on the utilization by your population of agricultural machinery

AD.7. How widespread is the ownership of the following agricultural machinery among your population?				
	Is widely spread	Rarely, but is available	Is not available at all	If yes, how many
1. Caterpillar tractor	1 →	2 →	3 ↓	
2. Tractor on wheels	1 →	2 →	3 ↓	
3. Mini tractor	1 →	2 →	3 ↓	
4. Motoblock/Cultivator	1 →	2 →	3 ↓	
5. Truck	1 →	2 →	3 ↓	
6. Combine	1 →	2 →	3 ↓	
7. Others (indicate)	1 →	2 →	3 ↓ AD.8.	

AD.8. How accessible are service materials for the above listed machinery?	AD.8.1. Currently				AD.8.2. In 2005				AD.8.3. In 2000			
	At the market available in the settlement	In the district center	At the markets of large cities	Others (indicate)	At the market available in the settlement	In the district center	At the markets of large cities	Others (indicate)	At the market available in the settlement	In the district center	At the markets of large cities	Others (indicate)
Fuel and lubricants	1	2	3		1	2	3		1	2	3	
Spare parts	1	2	3		1	2	3		1	2	3	

AD.9. Responses to the questions were given by

AD.9.1 Number of responder I — Name _____

AD.9.2 Number of responder II — Name _____

AD.9.3 Number of responder III — Name _____

AD.9.4 Number of responder IV — Name _____

PART 7 (AM) MARKETS AND THEIR ACCESSIBILITY

AM.1-AM.4. RESPONSES TO THE QUESTIONS ARE GIVEN ONLY BY THOSE SETTLEMENTS, WHICH HAVE ENCIRCLED 1 OR 2 IN QUESTION AD.1.1.1 OR AD.1.1.2

AM.1. Please tell us how the population of your settlement currently sells agricultural products, produced by it?					
	This is the only way	This is rather widely spread	Is spread on the average	Is spread less	Nothing like this happens
AM.1.1. Is being sold at the wayside markets	1	2	3	4	5
AM.1.2. Is handed over to the wholesale purchasing agents	1	2	3	4	5
AM.1.3. Selling at the market in the settlement	1	2	3	4	5
AM.1.4. Selling at the market in the neighbor village	1	2	3	4	5
AM.1.5. Selling at the market in a district center	1	2	3	4	5
AM.1.6. Selling at the market in a regional center	1	2	3	4	5
AM.1.7. Selling at a Tbilisi market	1	2	3	4	5
AM.1.8. Barter exchange	1	2	3	4	5
AM.1.9. Provision of consumers' cooperatives	1	2	3	4	5
AM.1.10. Handing over to processing enterprises	1	2	3	4	5
AM.1.11. Other purchasing agents (name)	1	2	3	4	5

AM.2. Please provide information about the basic market at which your population is selling its products?	Market I		Market II		Market III		Market IV													
Location (write in)																				
AM.3. Distance (kilometers) from your settlement (If the market is in your settlement, write 0)																				
AM.4. What transportation does populataion use to reach the above mentioned market? (If the market is in your settlement, write 0 in time box)																				
	Basically	More or less	Rarely	Doesn't use this	How long does it take	Basically	More or less	Rarely	Doesn't use this	How long does it take	Basically	More or less	Rarely	Doesn't use this	How long does it take	Basically	More or less	Rarely	Doesn't use this	How long does it take

PART 8 (CP) PRICES

below listed products: Please tell us the prices for buying and selling below listed products according to the table below:		Is it possible to buy?				Measurement unit	CP.1. Minimum price		CP.2. Maximum price		CP.3. How have the prices on this produce changed during the last 12 months?				
		During the whole year	Only during certain seasons	Is not possible	Everyone produces for themselves		L	T	L	T	Increased considerably – by more than 50%	Increased considerably - by 10-50 %	Changed insignificantly or remained the same - 10-+ 10 %	Considerably decreased - by 10-50 %	Decreased highly – by more than 50 %
CP.1.1.	Wheat (grain)	1	2	3	4	1kg					1	2	3	4	5
CP.1.2.	Beef	1	2	3	4	1kg					1	2	3	4	5
CP.1.3.	Milk	1	2	3	4	1liters					1	2	3	4	5
CP.1.4.	Potatoes	1	2	3	4	1kg					1	2	3	4	5
CP.1.5.	Honey	1	2	3	4	1kg					1	2	3	4	5

CP.5. The questions were responded by

CP.5.1. Number of responder I ——— Name ———

CP.5.2. Number of responder II ——— Name ———

CP.5.3. Number of responder III ——— Name ———

CP.5.4. Number of responder IV ——— Name ———

PART 9 (IC) INDUSTRY AND CONSTRUCTION

IC.1. Are there the industrial and construction enterprises of the following individual branches in the settlement or its adjoining territory?		Exists on the territory of the settlement	How many enterprises are there?	Exists in the neighboring settlement	Exists at a little distance away	Does not exist
IC.1.1.	Fruit cannery	1→		2	3	4
IC.1.2.	Winery	1→		2	3	4
IC.1.3.	Dairy factory	1→		2	3	4
IC.1.4.	Meat-packing factory	1→		2	3	4
IC.1.5.	Poultry factory	1→		2	3	4
IC.1.6.	Vegetables cannery	1→		2	3	4
IC.1.7.	Tea factory	1→		2	3	4
IC.1.8.	Nuts processing facility	1→		2	3	4
IC.1.9.	Silk-mill	1→		2	3	4
IC.1.10.	Clothes factory	1→		2	3	4
IC.1.11.	Shoe factory	1→		2	3	4
IC.1.12.	Weaving-mill	1→		2	3	4
IC.1.13.	Woodworking mill	1→		2	3	4
IC.1.14.	Furniture factory	1→		2	3	4
IC.1.15.	Mineral resources facility	1→		2	3	4
IC.1.16.	Mechanical (repairs) facility	1→		2	3	4
IC.1.17.	Engineering facility	1→		2	3	4
IC.1.18.	Electrical engineering facility	1→		2	3	4
IC.1.19.	Construction trust	1→		2	3	4
IC.1.20.	Building materials mill	1→		2	3	4
IC.1.21.	Others (name)	1→		2	3	4
IC.1.22.	Others (name)	1→		2	3	4
IC.1.23.	Others (name)	1→		2	3	4

IC.2. What are the population's current opportunities for being employed or starting own production in below listed areas?		Employment opportunity now			
		Easily possible	More possible than impossible	More impossible than possible	Impossible
IC.2.1.	Agriculture, forestry, hunting, fishing				
IC.2.1.1.	Agriculture, farming	1	2	3	4
IC.2.1.2.	Agriculture, cattle-breeding	1	2	3	4
IC.2.1.3.	Forestry	1	2	3	4
IC.2.1.4.	Hunting, fishing	1	2	3	4
IC.2.2.	Mining industry	1	2	3	4
IC.2.3.	Manufacturing industry	1	2	3	4
IC.2.4.	Energy, water supply, gas supply				
IC.2.2.1.	Energy	1	2	3	4
IC.2.2.2.	Water supply	1	2	3	4
IC.2.2.3.	Gas supply	1	2	3	4
IC.2.5.	Construction	1	2	3	4
IC.2.6.	Trade and everyday repairs and other services				
IC.2.3.1.	Wholesale trade	1	2	3	4
IC.2.3.2.	Large retail trade	1	2	3	4
IC.2.3.3.	Small retail trade	1	2	3	4
IC.2.3.4.	Consumer goods' repair	1	2	3	4
IC.2.3.5.	Consumer service (hairdresser, sewer and. i.e)	1	2	3	4
IC.2.7.	Hotels, restaurants and food service				
IC.2.7.1.	Hotels	1	2	3	4
IC.2.7.2.	Restaurants and food service	1	2	3	4
IC.2.8.	Transport and communications	1	2	3	4
IC.2.9.	Banks and finances	1	2	3	4
IC.2.10.	Operations concerning unmovable property, publication and i.e.	1	2	3	4
IC.2.11.	Governmental bodies	1	2	3	4
IC.2.12.	Education	1	2	3	4
IC.2.13.	Healthcare	1	2	3	4
IC.2.14.	Other (specify) -----	1	2	3	4
IC.2.15.	Others (specify) -----	1	2	3	4
IC.2.16.	Others (specify) -----	1	2	3	4

INTERVIEWER: IC.3 only to be asked in villages. For other settlement types, go to IC.4

IC.3 Did your settlement and its associated territory have any factories in 2009, 2008, 2007, or 2006?	Yes	No	If yes, please indicate the main types of factories	
			Processing of food and other agricultural products	Other manufacturing
IC.3.1. 2009	1	2 →IC.3.2	a.	d.
			b.	e.
			c.	f.
IC.3.2. 2008	1	2 →IC.3.3	a.	d.
			b.	e.
			c.	f.
IC.3.3. 2007	1	2 →IC.3.4	a.	d.
			b.	e.
			c.	f.
IC.3.4. 2006	1	2 →IC.4	a.	d.
			b.	e.
			c.	f.

IC.4 How many new buildings have completed construction in 2009, 2008, 2007, or 2006 of the following types:	2009 number of new buildings	2008 number of new buildings	2007 number of new buildings	2006 number of new buildings
IC.4.1. Residential house				
IC.4.2. Small factory				
IC.4.3. Large factory				
IC.4.4. Small shop/store				
IC.4.5. Large shop/store				
IC.4.6. Government building/store				

IC.5 Questions were responded by

IC.5.1. Number of responder I ——— Name —————

IC.5.2. Number of responder II ——— Name —————

IC.5.3. Number of responder III ——— Name —————

IC.5.4. Number of responder IV ——— Name —————

PART 10 (SC) SAVINGS AND CREDITS

SC.1 How do the households of the settlement invest their savings?	This form of savings is popular with almost all residents	Sufficiently many residents resort to this form of saving	Rarely, but there are families, which resort to this form of savings	Such form of saving is very scarce	No one resorts to such form of saving
SC.1.1. By acquiring gold and jewels	1	2	3	4	5
SC.1.2. By purchasing land	1	2	3	4	5
SC.1.3. By purchasing livestock	1	2	3	4	5
SC.1.4. By acquiring house	1	2	3	4	5
SC.1.5. By acquiring production means	1	2	3	4	5
SC.1.6. By cash	1	2	3	4	5
SC.1.7. By placing on bank accounts	1	2	3	4	5
SC.1.8. By purchasing shares and obligations	1	2	3	4	5
SC.1.9. By other means (name)	1	2	3	4	5

SC.2 Where can a settlement resident borrow a considerable amount of money in case of need?	Is the most popular practice	Is a rather popular practice	Seldom, but is still a popular practice	Such practice is a great scarcity	No one resorts to such form
SC.2.1. From bank	1	2	3	4	5
SC.2.2. From micro credit organization	1	2	3	4	5
SC.2.3. From NGO	1	2	3	4	5
SC.2.4. From a near relation/relative/friend	1	2	3	4	5
SC.2.5. From an individual	1	2	3	4	5
SC.2.6. Other (specify) _____	1	2	3	4	5

Have any households living in your settlement received the following types of credits?	SC.3 Received or not?		SC.4 How often have such cases occurred?			SC.5 Please list those organizations, which released the credit.
	Yes	No	Quite often	Somewhat often	Rarely	
SC.3.1. Micro credit	1	2 ↓	1	2	3	
SC.3.2. From credit union	1	2 ↓	1	2	3	
SC.3.3. From NGO	1	2 ↓	1	2	3	

SC.6 Was your settlement affected by any large national or international economic recessions in 2008?

1. Not at all affected
2. Somewhat affected
3. Strongly affected
4. Very strongly affected

SC.7 The questions were responded by

SC.7.1. Number of respondent I ——— Name —————

SC.7.2. Number of respondent II ——— Name —————

SC.7.3. Number of respondent III ——— Name —————

SC.7.4. Number of respondent IV ——— Name —————

PART 11 (ED) EDUCATION

Now we ask you to respond to several questions concerning educational opportunities of children and adolescents of the settlement

ED.1. Please list the schools, to which children and adolescents go		ED.2. What is the distance of this school from you (write in 0 if the school is in the settlement?)	ED.3. How long on average does it take the children to get to school,? if ED2>0		ED.4. What is the type of school?					ED.5. How many pupils are there in the school?	ED.6. How many teachers are there in the school?
			Hour	Minute	Elementary	Nine years	Full secondary	Vocational	Others		
ED.1.1.					1	2	3	4	5		
ED.1.2.					1	2	3	4	5		
ED.1.3.					1	2	3	4	5		
ED.1.4.					1	2	3	4	5		
ED.1.5.					1	2	3	4	5		
ED.1.6.					1	2	3	4	5		
ED.1.7.					1	2	3	4	5		
ED.1.8.					1	2	3	4	5		
ED.1.9.					1	2	3	4	5		
ED.1.10.					1	2	3	4	5		
ED.1.11.					1	2	3	4	5		
ED.1.12.					1	2	3	4	5		
ED.1.13.					1	2	3	4	5		
ED.1.14.					1	2	3	4	5		
ED.1.15.					1	2	3	4	5		

ED.7. Please indicate the cities (or countries if outside of Caucasus), in which young people got higher education between 1980-1990 years. Please provide the cities/countries with a sequence in which went the majority of the students from your settlement.

	City/Country I	City/Country II	City/Country III
ED.7.1. Name of the City (Write down)			
Code of the City (Is filled at the head office)			
ED.7.2. Please indicate maximum 3 most important reasons, for which the inhabitants of your settlement chose to study in those cities/countries in 1980-1990 years. (Maximum 3 answers in each column)			
1. High quality of teaching	1	1	1
2. Prestigious place to study	2	2	2
3. Wide choice of subjects available	3	3	3
4. No language barrier	4	4	4
5. Easy access to this city/country	5	5	5
6. Easier to pass entry exams for here	6	6	6
7. Lower fees for entering institution and studying here	7	7	7
8. Lower living costs here	8	8	8
9. Residents of this settlement had relatives and acquaintances here	9	9	9
10. Better chances of employment here after study completed	10	10	10
11. Other (<i>Indicate</i>)			

ED.8. Please indicate the cities (both inside and outside Georgia), in which the young people got higher education between 1980-1990 years. Please provide the cities with a sequence in which went the majority of the students from your settlement.

	City/Country I	City/Country II	City/Country III
ED.8.1. Name of the City (Write down)			
Code of the City (Is filled at the head office)			
ED.8.2. Please indicate maximum 3 most important reasons, for which the inhabitants of your settlement chose to study in those cities/countries in 1990-2000 years. (Maximum 3 answers in each column)			
1. High quality of teaching	1	1	1
2. Prestigious place to study	2	2	2
3. Wide choice of subjects available	3	3	3
4. No language barrier	4	4	4
5. Easy access to this city/country	5	5	5
6. Easier to pass entry exams for here	6	6	6
7. Lower fees for entering institution and studying here	7	7	7
8. Lower living costs here	8	8	8
9. Residents of this settlement had relatives and acquaintances here	9	9	9
10. Better chances of employment here after study completed	10	10	10
11. Other (<i>Indicate</i>)			

ED.9. Please indicate approximately how many young people living in your settlement get higher education at the moment?

Write down _____

ED.10. Please indicate the cities (both inside and outside Georgia), in which the young people get higher education at the moment. Please provide the cities with a sequence in which go the majority of the students from your settlement.

	City/Country I	City/Country II	City/Country III
ED.10.1. Name of the City (Write down)			
Code of the City (Is filled at the head office)			
ED.10.2. Please indicate maximum 3 most important reasons, for which the inhabitants of your settlement choose to study in those cities/countries at the moment (Maximum 3 answers in each column)			
1. High quality of teaching	1	1	1
2. Prestigious place to study	2	2	2
3. Wide choice of subjects available	3	3	3
4. No language barrier	4	4	4
5. Easy access to this city/country	5	5	5
6. Easier to pass entry exams for here	6	6	6
7. Lower fees for entering institution and studying here	7	7	7
8. Lower living costs here	8	8	8
9. Residents of this settlement had relatives and acquaintances here	9	9	9
10. Better chances of employment here after study completed	10	10	10
11. Other (<i>Indicate</i>)			

ED.11. How do you think what will be the number of young students living in your settlement in higher education in 2010/2011 compared to 2009/2010?

1. Will be higher
2. Will be approximately same
3. Will be lower

ED.12. You have noted that the inhabitants of your village mainly get education in cities _____ (name the cities in 4, 1 question). How much do you think it is possible that the young people will choose other cities in future?

1. It will probably change – young people will choose universities in other cities
2. It is quite possible – young people may choose universities in other cities
3. It will probably not change – I do not think that young people will choose universities in other cities

ED.13. Which factors might influence that in future higher education in other cities (both inside and outside Georgia) will become more popular for your settlement youth? (several answers)

1. _____
2. _____
3. _____
4. _____
5. _____

ED.14. Please provide two or three main (most popular) professions, which are being studied by the youth of your settlement?

1 Profession (Write down) _____

2 Profession (Write down) _____

3 Profession (Write down) _____

ED.15. You have noted, that the youth of your settlement are studying above mentioned professions. How do you think will the tendency of choosing professions change in the near future?

1. It is not expected to change

2. It may change (Please indicate new professions _____)

3. It is expected to change (Please indicate new professions _____)

ED.16. Please indicate two and three professions of which deficit is in your settlement.

1 Profession (Write down) _____

2 Profession (Write down) _____

3 Profession (Write down) _____

ED.17. Are there youth in settlement who want to get higher education, however due to some reason do not get it?

1. Yes – There are many such youth
2. Yes – Not many, but there is some
3. No – Such case in our settlement is rare – *Go to question 13*

ED.18. How important are below indicated reasons for which the youth do not get the higher education? (Read each statement and make them evaluate on four point scale)

	Not important reason	Reason of low importance	Important reason	Main reason
ED.18.2. It is difficult to travel to a suitable University or Institute	1	2	3	4
ED.18.3. Settlement youth do not have enough secondary education to continue studying at higher education	1	2	3	4
ED.18.4. There is language barrier	1	2	3	4
ED.18.5. They do not think that gained education would help them in future employment	1	2	3	4
ED.18.6. It is too expensive	1	2	3	4
ED.18.7. Other <i>Indicate</i>) _____	1	2	3	4
ED.18.8. Other <i>Indicate</i>) _____	1	2	3	4

ED.19. Did the youth of your settlement who have completed higher education about 5 years ago get employment? (Encircle only one answer in each column)

	Educated in the region of this settlement	Educated in Tbilisi	Educated in another region	Educated outside Georgia
1. Almost everyone got employed	1	1	1	1
2. Part was employed, part not	2	2	2	2
3. Almost all of them are unemployed	3	3	3	3
4. None educated here	4	4	4	4

ED.20. If some youth of your settlement who have completed higher education about 5 years ago are employed, what sort of job do they have and where is their employment? (*Encircle all applicable answers in each column*)

	Educated in the region of this settlement	Educated in Tbilisi	Educated in another region	Educated outside Georgia
1. Professional job, in the region of this settlement	1	1	1	1
2. Non-professional job, in the region of this settlement	2	2	2	2
3. Professional job, in Tbilisi	3	3	3	3
4. Non-professional job, in Tbilisi	4	4	4	4
5. Professional job, in another region	5	5	5	5
6. Non-professional job, in another region	6	6	6	6
7. Professional job, outside Georgia	7	7	7	7
8. Non-professional job, outside Georgia	8	8	8	8
9. None educated here	9	9	9	9

ED.21. If some youth of your settlement who have completed higher education about 5 years ago are not employed, what is the main reason? (*Encircle only one answer in each column*)

	Educated in the region of this settlement	Educated in Tbilisi	Educated in another region	Educated outside Georgia
1. There are not enough suitable professional jobs in this region	1	1	1	1
2. There are not enough suitable professional jobs in Georgia	2	2	2	2
3. There are not enough jobs of any sort in this region	3	3	3	3
4. There are not enough jobs of any sort in Georgia	4	4	4	4
5. They were not employed due to language barrier	5	5	5	5
6. Other (<i>Indicate</i>)	6 _____	6 _____	6 _____	6 _____

ED.22. The questions were responded by

ED.22.1. Number of responder I **— Name** _____

ED.22.2. Number of responder II **— Name** _____

ED.22.3. Number of responder III **— Name** _____

ED.22.4. Number of responder IV **— Name** _____

PART 12 (HC) HEALTH CARE

Now we request you to respond to several questions concerning the accessibility of health care for your residents

HC.1. How is it possible in your settlement to call for an ambulance?	HC.1.1. Currently	HC.1.2. In 2005	HC.1.3. In 2000
It is/was possible anytime	1	1	1
It is/was possible with some restrictions	2	2	2
It is/was not possible	3 →	3 →	3 →
HC.2. On average how long does it take the ambulance to arrive?			
Hour			
Minute			

HC.3. Are there any drugstores functioning in the settlement?		Yes	No
HC.3.1. Currently		1	2
HC.3.2. In 2005?		1	2
HC.3.3. In 2000?		1	2
HC.4. How would you evaluate the current status of accessibility to the residents of your settlement of health care services?	1	Very high – health care service is always equally accessible to all	
	2	High – everyone is provided with basic health care service	
	3	Average – there is a high quality service, but not everyone can afford it	
	4	Low – there is only basic health care service, but not everyone can afford it	
	5	Very low – health care service does not exist at all or is of very low quality	

HC.5. The questions were responded by

HC.5.1. Number of responder I ——— Name ———

HC.5.2. Number of responder II ——— Name ———

HC.5.3. Number of responder III ——— Name ———

HC.5.4. Number of responder IV ——— Name ———

PART 13 (PI) PROGRAMS IMPLEMENTED IN THE SETTLEMENT

(INTERVIEWER: PI questions to be asked only in villages.)

Now provide information about the works, executed in your settlement since 2005 until present for the improvement of infrastructure (please indicate all the activities, conducted in your settlement, e.g. repairs of school, road etc.)

№№	PI.1. Please describe shortly the executed works	Code	PI.2. Who financed these works	Code	PI.3. When did the works commence (year)	PI.4. When were the works completed (year)	PI.5. Frequency
PI.1.1.							
PI.1.2.							
PI.1.3.							
PI.1.4.							
PI.1.5.							
PI.1.6.							
PI.1.7.							
PI.1.8.							
PI.1.9.							
PI.1.10.							
PI.1.11.							
PI.1.12.							

Nº	PI.1. Please describe shortly the executed works	Code	PI.2. Who financed these works	Code	PI.3. When did the works commence (year)	PI.4. When were the works completed (year)	PI.5. Frequency
PI.1.13.

PI.1.21.							
PI.1.22.							
PI.1.23.							

PI.6. The questions were responded by

PI.6.1. Number of respondent I ——— Name —————

PI.6.2. Number of respondent II ——— Name —————

PI.6.3. Number of respondent III ——— Name —————

PI.6.4. Number of respondent IV ——— Name —————

Part 14 (TM) Tourism

Please give us some information about how many of the residents of your settlement have been able to travel for touristic and recreation reasons at least once over the last 12 months according to below listed directions.

TM.1. Directions	Almost everyone managed to go once in the last 12 months	Many managed to go	Some people managed to go	Only a few people managed to go	Nobody managed to go
TM.1.1. To go to rest at the sea resort of Georgia	1	2	3	4	5
TM.1.2. To go to rest to the mountain resort of Georgia	1	2	3	4	5
TM.1.3. To go to rest in other settlement at the residence of relative	1	2	3	4	5
TM.1.4. For recreation purposes to other resorts of Georgia	1	2	3	4	5
TM.1.5. To visit historical sightseeings in another parts of Georgia	1	2	3	4	5
TM.1.6. To go to rest or travel abroad	1	2	3	4	5
TM.1.7. Others (indicate)	1	2	3	4	5

TM.2. The questions were responded by

TM.2.1. Number of respondent I ——— Name —————

TM.2.2. Number of respondent II ——— Name —————

TM.2.3. Number of respondent III ——— Name —————

TM.2.4. Number of respondent IV ----- Name-----

PART 15 (CE) CLIMATIC AND ENVIRONMENTAL CONDITIONS

Now please respond to several questions on climatic conditions:

CE.1. How have the following climatic conditions changed for the last ten years for your settlement?

	Increased greatly	Increased more or less	Is within norms	Decreased more or less	Decreased greatly	Does not concern us
CE.1.1. The amount of precipitates	1	2	3	4	5	
CE.1.2. Air temperature	1	2	3	4	5	
CE.1.3. Avalanche danger	1	2	3	4	5	0
CE.1.4. Landslide danger	1	2	3	4	5	0

CE.2. Have any natural disasters take place in your settlement during the years 2006-2009, which significantly affected the welfare of your settlement's residents?

1. Yes
2. No → CE.5.

CE.3. What significant natural disaster occurred between 2006-2009?

	2006-2009
CE.3.1. Drought	1
CE.3.2. Hail	2
CE.3.3. Fire	3
CE.3.4. Avalanche	4
CE.3.5. Earthquake	5
CE.3.6. Epidemic-human	6
CE.3.7. Epidemic -cattle or poultry	7
CE.3.8. Blight	8
CE.3.9. Flood	9
CE.3.10. Storm	10
CE.3.11. Landslide	11
CE.3.12. Freezing	12
CE.3.13. Others (indicate)	13

CE.4. What approximate percent of population has been affected by this natural disaster?

	2006-2009
CE.4.1. Drought	———%
CE.4.2. Hail	———%
CE.4.3. Fire	———%
CE.4.4. Avalanche	———%
CE.4.5. Earthquake	———%
CE.4.6. Epidemic-human	———%
CE.4.7. Epidemic-cattle or poultry	———%
CE.4.8. Blight	———%
CE.4.9. Flood	———%
CE.4.10. Storm	———%
CE.4.11. Landslide	———%
CE.4.12. Freezing	———%
CE.4.13. Others (indicate)	———%

CE.5. Is the air contaminated in the settlement?	Extremely contaminated	Quite contaminated	Moderately contaminated	Only a little contaminated	Is not contaminated	
	1	2	3	4	5	
CE.6. Are the roads and streets littered?	Extremely littered	Quite Littered	Modertaely littered	Only a little littered	Are not littered	
	1	2	3	4	5	
CE.7. Is the sewerage damaged ?	Extremely damaged	Quite damaged	Moderately damaged	Only a little damaged	Are not damaged	We have no such system
	1	2	3	4	5	0

CE.8. The questions were responded by

CE.8.1. Number of responder I —— Name —————

CE.8.2. Number of responder II —— Name —————

CE.8.3. Number of responder III —— Name —————

CE.8.4. Number of responder IV —— Name —————

APPENDIX – WAR IMPACT

APP.1. Was the village damaged by the war in August of 2008? (Damaged or destroyed buildings or constructions, hampered/limited some services in the village)

1. Yes **↓ Continue**
 2. No **➔ Stop filling questionnaire**

APP.2. Please list the number of each type of building or construction in your settlement that suffered direct damage from the war (put number for each type):

	Number
APP.2.1. Residential dwelling	
APP.2.2. Medical building	
APP.2.3. Bank/Credit institution	
APP.2.4. Educational institution	
APP.2.5. Food and non-food production providing buildings	
APP.2.6. Agricultural production processing factories	

APP.3. Please list the number of each type infrastructure object in your settlement that suffered direct damage from the war (indicate damage level for each type):

Object	A. Was damaged or not during the war			B. Damage level			
	Yes	No	Did not exist at all	Totally destroyed	Significantly damaged (more than 50%)	Partially damaged (20-50%)	Small damage (less than 20%)
APP.3.1. Motorable road	1 ➔	2 ↓	3 ↓	1	2	3	4
APP.3.2. Gas supply pipeline	1 ➔	2 ↓	3 ↓	1	2	3	4
APP.3.3. Water supply pipeline	1 ➔	2 ↓	3 ↓	1	2	3	4
APP.3.4. Irrigation system	1 ➔	2 ↓	3 ↓	1	2	3	4
APP.3.5. Sewage system	1 ➔	2 ↓	3 ↓	1	2	3	4
APP.3.6. Electricity	1 ➔	2 ↓	3 ↓	1	2	3	4
APP.3.7. Other (Specify_____)	1 ➔	2 ↓	3 ↓	1	2	3	4

APP.4. Indicate the war influence level for the services, supplies, and infrastructure listed in the table (Table should be filled according to the status for the War period)

- ↓ - Go to the next row
→ - Fill the “Section B”

Please, circle corresponding code for each service

	Services	Codes				
		A. Did the service function before the war?		B. Did the war impact on the functioning of the services?		
		Did not function	Functioned	Did not impact	Functioning was limited	Functioning was hampered
APP.4.1.	Mobile phone network	1 ↓	2 →	1	2	3
APP.4.2.	Internet network	1 ↓	2 →	1	2	3
APP.4.3.	Cable radio network	1 ↓	2 →	1	2	3
APP.4.4.	Wave radio network	1 ↓	2 →	1	2	3
APP.4.5.	Cable or retranslation TV network	1 ↓	2 →	1	2	3
APP.4.6.	Motorable road	1 ↓	2 →	1	2	3
APP.4.7.	Public transportation	1 ↓	2 →	1	2	3
APP.4.8.	Gas supply	1 ↓	2 →	1	2	3
APP.4.9.	Water service	1 ↓	2 →	1	2	3
APP.4.10.	Electricity service	1 ↓	2 →	1	2	3
APP.4.11.	Food products supply	1 ↓	2 →	1	2	3
APP.4.12.	Agricultural products supply	1 ↓	2 →	1	2	3
APP.4.13.	Other (<i>Indicate</i>)	1 ↓	2 →	1	2	3

APP.5. Indicate the areas destroyed due to the war (ha)

	Burnt areas	Burnt areas	destroyed by the military technique	Ecologically Useless	Other destroyed areas
APP.5.1.	Arable land	ha	ha	ha	ha
APP.5.2.	Perennial plants	ha	ha	ha	ha
APP.5.3.	Natural meadows and pastures	ha	ha	ha	ha
APP.5.4.	Forest(s)	ha	ha	ha	ha
APP.5.5.	Residential areas	ha	Ha	Ha	ha

Thank you for cooperation!
