HOUT BAY MIGRATION SURVEY
Cover sheet

Good (morning/afternoon/evening) I'm …………… and we are conducting a survey for the Southern Africa Labour and Development Research Unit and the Centre for Actuarial Research at the University of Cape Town (show study ID card). The purpose of the study is to find out about your employment needs and living conditions. Would you mind if we ask a few questions about you and your household members? Your participation in this study is voluntary but your involvement would greatly improve our research and give us important information about living conditions in this area. The information you give us will be kept confidential and in any reports produced you will not be identified by name.
