USING OF SHORT GUIDE MANUAL

1. Read Carefully the entire section in this manual. All the steps in this manual should be used in the location according to the combination of methods that will be implemented.
2. Copy into the large flipchart or paper, with large letters:
 - 2.1 Box - 1, the restrictions on Household
 - 2.2. Box - 12, Flow Process/ Discussion Step/ Meeting. Copy 2 pieces each for location with the Method There is Discussions of 10 Poorest Household (from step 3 -> 4 -> 5) and for another location with Method No discussion of 10 Poorest Household (from step 3 to step 5) .
3. Create a summary of the process to help during the meeting. Especially on the implementation part, make a summary of process with the different pieces so that there will be 8 summaries for each combination of methods, namely:
 - 1 Hybrid – Elites – Discussion 10 Poorest Household
 - 2 Hybrid– Elites – No Discussion 10 Poorest Household
 - 3 Hybrid – All Community – Discussion 10 Poorest Household
 - 4 Hybrid – All Community – No Discussion 10 Poorest Household
 - 5 Community – Elites – Discussion 10 Poorest Household
 - 6 Community – Elites – No Discussion 10 Poorest Household
 - 7 Community – All Community – Discussion 10 Poorest Household
 - 8 Community – All Community – No Discussion 10 Poorest Household.
4. Copy the other parts in this manual to the cards or the flipchart. The copy should be adjusted to the contents that should be followed and should not be ignored, such as copying Head of Household/KRT into the card, copying the Head of Household/KRT list into the flipchart.
