

The information provided in this form is for statistical purposes only and not for any other use.

<i>For the researcher: Fill in the data from the sample list.</i>		
ID00	Household Serial Number in Sample	
ID1	Governorate Code	
ID2	Locality Code	

QC1	Household Identification Information									
1	Name of Head of Household									
3	Mobile Telephone Number							□□□□□□□□□□		

Section Two: (Information for the Researcher): Interview Procedure

1. Record the phone number and time of each call attempt until a response is received, as indicated in the list.
2. Introduce the PCBS and the purpose of the call, and ask to speak with the head of the household or any adult family member.
3. Interview Procedure:

“Hello, my name is (**your name**). We are from the Palestinian Central Bureau of Statistics conducting a survey on the social and economic conditions of Palestinian households in Gaza Strip following the outbreak of conflict in October 2023. We are calling you because you participated in the first round of this phone survey in December last year. You had provided your number to us during the *Palestinian Expenditure and Consumption Survey* in 2023.”

This interview will take approximately 20-30 minutes. All the information we obtain will remain strictly confidential and anonymous. If you choose not to answer any question or wish to stop the interview, please let us know."

4. According to the table below, specify the respondent's reaction based on the options in questions C5 and C6.
5. If the respondent agrees, proceed to Section Three according to the questions and their sequence.

[illegible]

Section Three: Household Members Data

D1	D2	D3	D4	D5	D6	D7	D15
Line No. of Individual	Full Name as per Last Visit Record Researcher: "First, I would like to verify if the individuals we recorded during the last visit are still residing with you in the same dwelling (living with the family)."
