WBCS 2025

COUNTRY/ECONOMY

Name	Country code
Madagascar	MDG

SERIES INFORMATION

The World Bank Group Country Opinion Survey Program (COS) is an ongoing effort to systematically gauge and track the perceptions and views of the World Bank Group's clients and partners across the globe over time. The survey data give the institution a more in-depth understanding of stakeholders' views on issues related to the World Bank's work on the ground (how it operates, its relationships, and its knowledge) and other development-related issues. The Department of External and Corporate Relations Business Intelligence Team oversees the program. This collection hosts open, accessible survey data from 29 countries collected in FY 2012 (July 2011-June 2012), 41 countries in FY 2013 (July 2012-June 2013), 42 countries in FY 2014 (July 2013-June 2014), 35 countries in FY 2015 (July 2014-June 2015), 45 countries in FY 2016 (July 2015-June 2016), 35 countries in FY 2017 (July 2016-June 2017), and 39 countries in FY 2018 (July 2017-June 2018), 42 countries in FY 2019 (July 2018-June 2019), 21 countries in FY 2020 (July 2019-June 2020), 36 countries in FY 2021 (July 2020-June 2021), 23 countries in FY 2022 (July 2021-June 2022), 31 countries in FY 2023 (July 2022-June 2023), 43 countries in FY 2024 (July 2023-June 2024), and 41 countries in FY 2025 (July 2024-June 2025). All data will be regularly updated, and more countries will be added as data becomes available.

## Sampling

### SAMPLING PROCEDURE

From April 2025 to July 2025, a total of 763 stakeholders in Madagascar were invited to provide their opinions on the WBG's work by participating in a Country Opinion Survey (COS). A list of potential participants was compiled by the WBG country team and the field agency. Participants were drawn from the Offices of the President, Prime Minister, Ministers, and Parliamentarians; government institutions; local government; bilateral or multilateral agencies; civil society organizations; the private sector; academia and research centers; and the media. Of these stakeholders, 318 participated in the survey.

### RESPONSE RATE

42% response rate

### WEIGHTING

This year's survey results were compared to the FY21 Country Opinion Survey, which had a response rate of 41% (N=309). Comparing responses across Country Opinion Surveys reflects changes in attitudes over time, as well as changes in respondent samples, methodology, and the survey instrument itself. To reduce the influence of the latter factor, only those questions with similar response scales/options were analyzed. However, the stakeholder compositions for both survey years should be taken into consideration when interpreting these comparisons.

## Data collection

### DATES OF DATA COLLECTION

Start	End
2025-04	2025-07

### DATA COLLECTION MODE

Other [oth]

### DATA COLLECTION NOTES

Respondents received the questionnaire via courier and returned it, accordingly, or completed it online, or completed it with a representative of the field agency.

### DATA COLLECTORS

Name	Affiliation
COEF Ressources	independent field agency

## Questionnaires

### QUESTIONNAIRES

The survey was conducted in English and French. The English version is provided as related material.
