### 7.8 Accounts Records

**INTERVIEWER:** For the months of January to April (when SLMS Round 5 is being conducted) please note down the following weekly amounts. The 5 columns are the same as in the accounts sheets. Daily amounts to be totalled by week (if not already done). Week is defined as Monday to Sunday. If the enterprise allows you to take the accounts records book with you then you can fill up the table later; if not, the table will need to be filled out at the enterprise itself.

**NOTE:** If the accounts book has a blank entry in a particular column in a particular week, ask the enterprise if this means that there was nothing. If so, note this down as zero(0); do not leave a blank entry. If the information is actually missing (eg. because the owner cannot remember, does not know etc.) then note down as M.
