INSTRUCTIONS FOR PAGE 2

Next to index number 1, write down the first name of the head of the household to be interviewed. Then (from index number 2 onwards) write down the names of all his household members next to the index numbers.

Fill in all the information required for each person in the appropriate column.

Relationship to head. Fill in wife, daughter, son, grandson, etc., as applicable.

Sex. Fill in 'M' for male and 'F' for female.

Age. Fill in age on last birthday. If the age is not known, give an estimated age.

Marital status. Fill in 'M' for married, 'S' for single, 'W' for widowed, 'D' for divorced.

Occupation. Fill in e.g. labourer, clerk, domestic servant, housewife, scholar, unemployed, child at home, as applicable.

Education. Fill in the highest level of education attained by each person, e.g. none, grades, Std. 6, diploma, BA, etc.

Income. Fill in the gross cash income of all persons in employment, and the amount received by pensioners.

Contribution to household. Fill in the amount contributed to household income. The head and the wife are assumed in all cases to be contributing their whole income to the household.

Ethnic unit of head. Indicate the ethnic unit of the household head by making a cross in the relevant square.

EXAMPLE -

Index No.	First name	Relationship to head	Sex	Age	Marital status	Occupation	Level of education	Income (week/month)	Contribution or income to household Amount (week/month)

INSTRUCTIONS FOR PAGE 3

N.B. This information must be obtained from the persons themselves because other members of the household may not know the exact details.

Turn back to page 2 and pick out all the members of the household who are in employment. Return to page 3 and, opposite 'Index No.' at the top of each column on page 3, enter the index numbers given to such persons on page 2. Fill in the information requested about each of these persons in the vertical columns, i.e. downwards, under their index numbers on these pages. Ask respondents to get exact figures from their latest pay-sheets, if possible.

Employer's activity. Fill in e.g. manufacturing, construction, commerce, medical, public services, provincial administration, government, local authority, etc.

Type of work done for employer. Fill in e.g. labourer, clerk, teacher, etc.

NOTE TO INTERVIEWER: Persons whose names appear next to index No. 16, 17, 18 and 19 on p. 2 are not household members and should thus not be indicated on page 3.

INSTRUCTIONS FOR PAGE 10

Amenities. Indicate the number owned in the relevant square.

Housing details. Ask the information about the type of accommodation. Write the date on which the property was bought or erected by the household in the square provided. Ask the respondent to give you an estimated market value of the property (what he may get if he sells the property) and state the estimated figure in the space allowed. State the amount in the case of each applicable expenditure item listed. If sewerage, water and electricity charges are included in the instalment, do not insist on a separation. Just indicate that these items are included in the instalment.

INSTRUCTIONS FOR PAGE 11

Vehicles bought. (Only those for private use.) For vehicles bought on credit or hire-purchase (HP), fill in the cash deposit amount if the deposit was paid during the past 12 months. Ask the respondent if instalments are still being paid and fill in the amount in the 'present instalment' column. In the 'value column' fill in the original cost of the vehicle.

For vehicles bought in cash during the past 12 months, fill in the amount paid.

N.B. Only vehicles bought by household members for their own private use and to support or as a gift to other persons not members of this household must be included.

In the column 'where last bought' fill in the codes 1 or 2.

Public transport (work, school and shopping). Find out which members of the household made use of public transport during the past month to travel to work, school or to the shops. Write in such persons' index numbers in the spaces at the top of the columns. Specify the sum spent by each person on the different means of transport during the past month. (Exclude travelling costs to boarding school.) (See 'Education'.)

Furniture removal. If furniture was removed for the household during the past month, indicate the cost of transport.

INSTRUCTIONS FOR PAGE 12

Turn back to page 10 to determine whether vehicles are owned by the household. If so, fill in total expenditure on these vehicles on page 12. Pay strict attention to the periods fixed for the various items.

Exclude expenditure on vehicles used for business and farming purposes.

Only fill in expenditure on vehicles owned by household members.

INSTRUCTIONS FOR PAGE 13

Ask the respondent to tell you what durable items (excluding clothing) are owned by members of the household.

Read out the list of items on page 13 to the respondent and tick off those owned.

For each item you tick off, state its date of purchase and how it was bought (i.e. cash, or on hire-purchase/credit).

For cash purchases, fill in the amount paid in the 'cash purchased past 12 months' column and place of purchase (where last bought).

For items bought on credit or hire-purchase, fill in the cash deposit amount if the deposit was paid during the past 12 months. Ask the respondent if instalments are still being paid and fill in the amount in the 'present instalment' column. (Remember to indicate per week/month, etc.)

In the 'value column' fill in the original cost of the item.

N.B. Only items bought by household members for their own use and to support or as a gift to other persons not members of this household must be included.
