DATA COLLECTION NOTES

Data on deaths is updated on a yearly basis to include additional death notification forms that are received by Stats SA after the publication of information for any
specific year of death. In this data set, a variable, "PUBLISHED", was created to provide information on deaths that were published in 2006 and those published in 2007. The deaths that were published in 2006 are given a value of 1 and those published in 2007 a value of 0.
