

## LIVING CONDITION SURVEY

## Interview Schedule for Family

Good (morning, afternoon), I'm \_\_\_\_\_ and we are conducting a survey on your community. The purpose of this survey is to find out about your living conditions. The accuracy of the results of the whole survey will depend on your sincere and precise answers. Your input would benefit future planning and monitoring of programs. The information you give to us will be kept confidential. You and your household members will not be identified by name or address in any of the reports we plan to write.

Thank you for your participation.
