THE CAUSES OF MIGRATION IN SOUTH AFRICA

QUESTIONNAIRE

BACKGROUND

INTRODUCTION

This survey forms part of a comprehensive study by the Human Sciences Research Council (HSRC) on people's movements, especially within the borders of South Africa, and particularly on the reasons why some people move, and why others do not. The survey has been necessitated by the profound lack of knowledge in South Africa on this issue.

You will be asked a fairly large number of questions, some of which may appear not to be applicable to you. However, we assure you that there are *no* unnecessary questions in this questionnaire. The questions were developed to test specific research ideas, and to apply some of the latest and most relevant theoretical principles in migration research.

Your answers to the questions are very important, because they will provide essential information on migration and non-migration in South Africa. Your answers will be treated as strictly confidential, and will be used only in combination with the answers of other people who participate in this survey. In addition, your answers will never be made available for any purpose other than research. This means that you can be completely honest in answering the questions to be put to you, since your answers will not in any way be used to your disadvantage.

5 VALUES AND EXPECTATIONS

INTERVIEWER: DEFINING “AREA”:

1. IF THE RESPONDENT PLANS TO MOVE TO ANOTHER AREA (SEE 3.9), THEN “AREA” IS THE NAME OF THAT PLACE OR COUNTRY.
2. IF THE RESPONDENT DOES **NOT** PLAN TO MOVE TO ANOTHER AREA, THEN “AREA” IMPLIES **ONE** OF THE FOLLOWING TWO OPTIONS:
 - (a) IF THE SURVEY TAKES PLACE *OUTSIDE* GAUTENG, THEN “AREA” IS “Johannesburg”. **[HOWEVER, IF THE RESPONDENT KNOWS “TOO LITTLE” OR “NOTHING WHATSOEVER” ABOUT JOHANNESBURG (SEE 4.2 (c)), THEN “AREA” IS THE CITY MENTIONED IN 3.7]**
 - (b) IF THE SURVEY TAKES PLACE *IN* GAUTENG, THEN “AREA” IS “Cape Town”. **[HOWEVER, IF THE RESPONDENT KNOWS “TOO LITTLE” OR “NOTHING WHATSOEVER” ABOUT CAPE TOWN (SEE 4.3 (c)), THEN “AREA” IS THE CITY MENTIONED IN 3.7]**

The following items deal with people's needs (or goals/values) in life, and their expectations regarding the extent to which their needs are likely to be met here and in a given possible alternative area of residence.

IF RESPONDENT CAN READ: HAND HIM/HER DISPLAY CARD NO. 2, AND ASK HIM/HER TO READ TO YOU THE THREE RESPONSE OPTIONS AFTER HAVING HEARD EACH PARTICULAR ITEM. EXPLAIN TO HIM/HER THAT HE/SHE MUST *FIRST* GIVE THE APPROPRIATE RESPONSE OPTION UNDER "VALUE", FOLLOWED BY THE TWO "EXPECTATION" RESPONSE OPTIONS – *IN THE REQUIRED ORDER*.

First, please give us your personal view on how important every item below is to you personally now, and with the future in mind. Second, give us your view on the extent to which this area (where you live now) is likely to meet your needs in respect of the particular item (irrespective of how important that item is to you personally). Third, please give us your view on the extent to which "AREA" is *more* or *less* likely than this area (where you live now) to meet your needs in respect of the particular item.

- (1) You should rate the *importance* of a specific item as follows: (1) "Totally unimportant", (2) "Not really important", (3) "Reasonably important", (4) "Very important" or (5) "Extremely important" (i.e. "totally indispensable").
- (2) The *expectation* for this area (where you live now) should be rated as follows: (1) "Not at all", (2) "Small extent", (3) "Some extent", (4) "Great extent" or (5) "Very great extent".
- (3) The *expectation* for "AREA" should be rated *in comparison with* this area (i.e. where you live now). In this case the options to choose from are as follows: (1) "Much worse", (2) "Worse", (3) "Neither better nor worse" (i.e. about the same), (4) "Better" or (5) "Much better".

Please do not think too long about these statements – rather give your *immediate* response! If you do not understand a particular item, please tell me so, and I shall make a note to that effect. Please remember that there are *no* right or wrong answers!

INTERVIEWER: DEAL WITH THE QUESTIONS *ROW-BY-ROW* (I.E. LINE-BY-LINE – *NOT* COLUMN-BY-COLUMN)!
