# Sampling

## Sampling Procedure

---

In January-February 2014, 475 stakeholders of the World Bank Group in Tajikistan were invited to provide their opinions on the WBG's work in the country by participating in a country opinion survey. Participants in the survey were drawn from the office of the President; the office of the Prime Minister; office of a minister; office of a parliamentarian; ministries, ministerial departments, or implementation agencies; consultants/contractors working on WBG-supported projects/programs; project management units (PMUs) overseeing implementation of a project; local government officials; bilateral and multilateral agencies; private sector organizations; private foundations; the financial sector/private banks; NGOs; community based organizations; the media; independent government institutions; trade unions; academia/research institutes/think tanks; and other organizations.

When possible, responses from respondents completing this year's country survey were compared to responses from 121 respondents (91% response rate) who completed the survey in FY 2003.

A total of 272 stakeholders participated in the survey.

## Response Rate

---

A total of 272 stakeholders participated in the survey (57% response rate).
