Questionnaires

Multitopic Household Survey 2003 Questionnaire (in English)

Title	Multitopic Household Survey 2003 Questionnaire (in English)
Author(s)	National Statistical Institute, Ministry of Labour and Social Policy
Country	Bulgaria
Language	English
Description	This questionnaire collects information from all members of the household on demographic characteristics, migration, education, employment, health and fertility. It also collects household level information on housing food expenditures, non-food expenditures, agriculture, remittances, benefits, household durables, and real estate benefits. The data files should be used as the most accurate information.
