MAIN HH QUESTIONNAIRE RESPONDENT

My name is _____. I am working with Innovations for Poverty Action to conduct a survey to learn about the agricultural practices of farm families in Chikwawa, Neno, Zomba, Balaka, Dedza, Mchinji, Mzimba and Rumphi districts. Although this study may not benefit you personally, we hope that the results of this research will help develop policies that improve agricultural development in the region.

In the last year or two, you participated in the first set of interviews for this study. We thank you for your participation. We now invite you to participate in the final interview for this research study. Your participation in this research is completely voluntary. If you agree to participate, we will ask you questions about maize cultivation, your knowledge of different agricultural technologies, interaction with the AEDO and other farmers, and household income. The questions should take about one and a half hours.

If you agree to participate, you may refuse to answer any of the questions we ask and you may stop me at any time to ask questions or to end the interview completely. Your participation in this study will be confidential and the answers you provide will be stored securely in the offices of Innovations for Poverty Action. Your name and any other identifying information will be accessible only to the researchers and will never appear in any sort of report that might be published.

You may contact Innovations for Poverty Action at the phone number below with any problems or questions you may have:
