11. Is there a highway/asphalt road near this locality/this part of the town?
1 yes
2 no Go to 13 | _ |

12. How many kilometers from this locality/ this part of the town to this road ?
Kilometers: | _ | | _ | | _ |

13. Is there are seasons of the year in which one cannot use this road to get to this locality/this part of the town?
1 Yes
2 No Go to 15 | _ |

14. For haw many months within a year the communication with this locality/this part of the tow is interrupted along this road?
Months: | _ | | _ |

15. Des the public transport go through this locality/ this part of the town ?
1 yes Go to 17
2 no | _ |

16. How many kilometers to the nearest stop of public transport?
Kilometers: | _ | | _ | | _ |

17. How often the public transport go?
Choose from the suggested versions one, the most suitable and write down the answer on suitable line.
For example: 3 times a day or 2 times a week /
| _ | | _ | times a day
| _ | | _ | times a week
| _ | | _ | times a month
| _ | | _ | times a quarter

18. How many percent of families/household in this locality/this part of the town are equipped with electricity or electric generators ?
Percent: | _ | | _ | | _ | %

19. From where do the population of this locality/this part of the town get drinking water?

INTERVIEWER! ASK PLEASE HOW MANY PERCENT OF HOUSEHOLDS GET DRINKING WATER FROM THIS SOURCE AND WRITE DOWN AN ANSWER ON SUITABLE LINE ! BE CAREFUL THAT THE -SUM OF ALL ANSWERS BE EQUAL 100 PERCENT !

|_|_|% from a public water pipe

|_|_|% from a well, pump

|_|_|% from a well with a pump

|_|_|% from a natural sources

|_|_|% use bringing water

|_|_|% from another sources

/ name concreately, please/ _____

20. Is there treatment facility in this town/locality for domestic waste water ?

1 yes

2 no

Go to 22

|_|

21. Does the capacity of this facility allow to refine the domestic waste water volume ?

1 yes

2 no

|_|

22. Is there a food store in this locality/this part of the town?

1 yes

Go to 24

2 no

|_|

23. How many kilometers from this locality/this part of the town to the nearest food store?

Kilometers:

|_|_|_|

24. Is there a restaurant in this locality/this part of the town?

1 yes

2 no

|_|

33. How often does the bazaar day take place?

Choose from the suggested versions one, the most suitable and write it down the answer in a proper line.

/E.G. 2 times a week, or 2 times a month

|_|_| times a week

|_|_| times a month

|_|_| times a quarter

|_|_| times a year

34. How many kilometers to the nearest bazaar ?

Kilometers: |_|_|_|

35. Are there any people in this locality/this part of a town, who migrate to another raions for season work

1 yes

2 no

Go to 42

|_|

36. How many of this type?

Number of persons: |_|_|_|_|

or percent from able-bodied population: |_|_|%

37. Where do the majority of them go?

1 to the town of the same oblast

2 to another selo of the same oblast

3 to another oblast, in particular

4 out of the Republic limit

5 other

|_|

38. What brunches of National Economy they mainly employed by?

Name them in the order of significance.

INTERVIEWER! USE THE LIST OF ANSWERS OF QUEST 1 OF THE SAME PART.

first |_|

second |_|

third |_|

39. For what period of time do they usually go away?

Choose from the suggested versions one, the most suitable and write it down on a proper line /E.G. 2 days a week or 2 months a year

for |__| days a week

for |__| weeks a month

for |__|__| months a year

40. What is the average age of those people who migrate for season work?

Estimate, please percentage of suggested age groups .

INTERVIEWER! BE SURE THAT THE SUM OF ALL THE ANSWERS WILL BE EQUAL TO 100 PERCENT!

|__|__|% younger 16 years of age

|__|__|% from 16 to 25 years of age

|__|__|% from 26 to 35 years of age

|__|__|% from 36 to 45 years of age

|__|__|% from 46 to 55 years of age

|__|__|% older 55 years of age

41. What sex they are ?

|__|__|% males

|__|__|% females

42. Are these any seasonal workers who come to this locality working for you/work?

42. Do the season workers go to this locality/this part of the town?

1 yes

2 no

→ Go to 48

|__|

43. Where do the majority of them come from?

1 from a town of the same oblast

2 from another village of the same oblast

3 from another oblast , exactly.....

4 from abroad

5 other

|__|

44. What brunches of National Economy do they work at in this locality/ this part of the town? Name them in the order of significance, please.

INTERVIEWER! USE THE LIST OF ANSWERS OF QUEST 1 OF THE SAME PART, PLEASE.

first |__|
second |__|
third |__|

45. For what periods of time do they come?

Choose from the suggested versions one, the most suitable and write it down the answer on a proper line. /E.G.: for 3 days a week or : 2 months a year/

for |__| days a week
for |__| weeks a month
for |__|__| month a year

46. What is the average age of the persons who came for season work?

Estimate please percentage of suggested age groups .

INTERVIEWER! BE SURE THAT THE SUM OF ALL THE ANSWERS WILL BE EQUAL TO 100%!

|__|__|% younger 16 years of age
|__|__|% from 16 to 25 years of age
|__|__|% from 26 to 35 years of age
|__|__|% from 36 to 45 years of age
|__|__|% from 46 to 55 years of age
|__|__|% older 55 years

47. What sex they are?

|__|__|% males
|__|__|% females

48. Are there any state programs to carry out for the development of this town/this locality?

1 no

2 yes, in particular:

|__|

à/ _____

à/ _____

à/ _____

49. What handicrafts or traditional types of jobs take place in this locality/this part of the town ?

à/

à/

à/

50. How many families /households are occupied with this kind of works or handicrafts?

Number of households:

|_|_|_|_|

Number of people:

|_|_|_|_|

<p>5. What ^{Q. 10000}husbandry products are produced in this locality ? If there is any production</p> <p>1 ... yes 2 ... no ↓ next line</p>	6.	<p>7. 9. What ground zone the lands in this locality are classified by?

in percent

- 1 chernozem *black soil zone* | _ | _ | _ | %
- 2 chest nut lands | _ | _ | _ | %
- 3 brown lands | _ | _ | _ | %
- 4 mountain lands *mountain zone* | _ | _ | _ | %
- 5 others | _ | _ | _ | %

10. What is the ratio of tillable lands in this locality?

in percent

- all* → | _ | _ | _ | %
- a) ~~✓~~ from it need radical melioration | _ | _ | _ | %
- b) ~~✓~~ from it have already been meliorated | _ | _ | _ | %

11. Is there an agricultural center or another agency of agricultural service in this locality ?

- 1 yes
- 2 no | _ |

12. How many kilometers from this locality to the nearest agricultural center?

Kilometers: | _ | _ | _ |

13. What kind of services does this agricultural center offer? *ENCIRCLE ALL THE ANSWERS.*

- 1 money, credits
- 2 cattle
- 3 fodder
- 4 inoculations
- 5 drugs
- 6 seeds, saplings
- 7 fertilizers
- 8 machinery
- 9 spare parts
- 10 repair works
- 11 information about fertilizers and chemicals
- 12 marketing information
- 13 others

18. Are artificial fertilizers used in this locality?

1 yes

2 no

|_|

19. Are there any landholders in this locality who pay cash for the land or pay by part of the harvest ?

1 yes

2 no

|_|

20. How many households in this locality who rent the land ?

1 majority

2 a half

3 less than a half

4 only few

|_|

21. How much does a hired peasant make a day?

Indicate please figures in tenge for males, females and children for different types of job

	preparatory works	sowing, seeding	cultivation	harvesting
males	_ _ _ _	_ _ _ _	_ _ _ _	_ _ _ _
