TVET Application Form
Part I: MCA-M TVET Project Evaluation Consent Release Form

The school that you (or your legal ward) are applying is participating in a study to improve its effects on students. The study is being conducted by the school, the Millennium Challenge Account of Mongolia (MCA-M), the Millennium Challenge Corporation (MCC), Innovations for Poverty Action (IPA) and as well as a few other organizations.

We are kindly asking all students applying this year to participate in our study and this document will provide you with an explanation of how the study will affect you (or your legal ward). Please read carefully and decide whether you want to participate or not.

The school which you (or your legal ward) are applying has only limited space to accept students. Hence, only a few is able to get accepted out of many registered applicants. This year the admission spaces will be allocated using a lottery. The lottery will ensure all the qualified applicants with the opportunity to have an equal chance to attend the school and to study in one of their preferred trades. In order to do so, you are required to fulfill the following steps:
1. To complete the attached application form
2. To take a short knowledge test
3. To apply through the lottery regardless whether you or not you agree to participate in the study.

If you (or your legal ward) agree to participate in the study, you are helping us to understand how the design the best programs to support vocational education in Mongolia.

We will contact you in the future to ask questions about your life using the information that you have provided in the application form. Any information that can identify you (or your legal ward) individually will be kept strictly confidential. It will only be known to those conducting the study. Furthermore, the information that you have provided is strictly voluntary and you have the right to stop participating anytime without any punishment.

If you have any questions about the study, you can ask the school representatives, who are operating the school admission process. In addition, if you have any problems or concerns about the study, you should contact IPA's 9905-6365.
