Start with homestead first, and then ask about parcels owned by the househld within this cell, then ask about parcels owned by the household outside this cell, and then finally ask about rented-in parcels within and outside this cell.	this question refers to the recent land registration and regularization program undertaken in March-December 2007.	if registered ask the respondent to show the claims registration form issued by the cell land registraion committee or the interim land certificate issued by the National Land Tenure Center to copy the parcel identification number. COPY ONLY THE SPECIFIC PARCEL ID, BUT NOT THE RECEIPT NUMBER.	This refers to only household members who are registered as owners of the parcel during the recent land registration and regularization program. These members are first recorded in the adjudication record and then the interim land certificate, if already issued. It should be noted that an individual can be registered in more than one parcels.
