Title Service Delivery Indicators  
Author(s) Gayle H. Martin, Obert Pimhidzai  
Date 2013-07  
Country Kenya  
Language English

EXECUTIVE SUMMARY .....	v
INTRODUCTION .....	1
ANALYTICAL UNDERPINNINGS .....	3
Service Delivery Outcomes and Perspective of the Indicators .....	3
Indicator Categories and the Selection Criteria .....	3
IMPLEMENTATION .....	6
Education .....	6
Health .....	7
Survey Instruments and Survey Implementation .....	8
RESULTS: Education .....	10
Teachers .....	10
Absence from School .....	10
Absence from Class .....	11
Time spent teaching .....	12
Share of teachers with minimum knowledge .....	13
Correlates of teacher effort .....	18
Inputs at School .....	19
Availability of teaching resources .....	19
Functioning school infrastructure .....	19
Students per textbook .....	20
Student-teacher ratio .....	21
Correlations between teacher effort and infrastructure and resources .....	21
Assessment of Student Learning .....	22
Correlations between indicators and outcomes .....	24
Table of contents .....	24
RESULTS: Health .....	26
Health Providers .....	26
Caseload .....	26
Absence rate .....	27
Diagnostic Accuracy .....	31
Process Quality: Adherence to clinical guidelines .....	32
Process Quality: Management of maternal and neonatal complications.....	33
Inputs in Health Facilities .....	34
Drug Availability .....	34
Equipment availability .....	35
Infrastructure availability .....	37
WHAT DOES THIS MEAN FOR KENYA? .....	38
ANNEX A. Methodology .....	40
Education Survey .....	40
Sampling Strategy .....	40
Survey Instrument .....	42
Definition of Indicators .....	43
Health Survey .....	45
Sampling Strategy .....	45
Survey Instrument .....	47
Definition of Indicators .....	49
ANNEX B. Additional and More Detailed Results: Education .....	51
ANNEX C. Additional and More Detailed Results: Health .....	68
References .....	88

Introduction .....	4																																																																																																				
SDI Survey Team .....	4																																																																																																				
Instrument Composition .....	6																																																																																																				
Breakdown of School Visit .....	7																																																																																																				
Materials required for fieldwork .....	8																																																																																																				
Survey Implementation .....	9																																																																																																				
General Instructions for Enumerators and Team leaders .....	9																																																																																																				
Building rapport with the respondent .....	9																																																																																																				
Tips for conducting the interview .....	10																																																																																																				
Asking questions .....	10																																																																																																				
Recording responses .....	11																																																																																																				
Reference period .....	12																																																																																																				
Following Skip Patterns .....	12																																																																																																				
Correcting mistakes .....	12																																																																																																				
Checking completed survey forms .....	12																																																																																																				
Team leader Responsibilities .....	14																																																																																																				
General responsibilities .....	14																																																																																																				
Preparation for the fieldwork .....	14																																																																																																				
Executing the fieldwork .....	15																																																																																																				
Monitoring performance of Enumerators .....	15																																																																																																				
Editing questionnaires .....	17																																																																																																				
Data Quality .....	19																																																																																																				
Specific Instructions for Survey Instrument Modules .....	20																																																																																																				
Cover Sheet .....	20																																																																																																				
Module 1: School Information .....	22																																																																																																				
Module 2A: Teacher Roster .....	23																																																																																																				
Module 2B: Teacher Questionnaire (First Visit) .....	25																																																																																																				
Module 2B: Teacher Questionnaire (Second Visit) .....	27																																																																																																				
Attendance .....	27																																																																																																				
Classroom Count .....	27																																																																																																				
Completion of missing data .....	28																																																																																																				
End of the second school visit .....	28																																																																																																				
Module 3: School Finances - PETS .....	29																																																																																																				
Module 4: Classroom Observations .....	33																																																																																																				
Module 4A: Time on Task (see annex for definitions table) .....	33																																																																																																				
Modules 4B, 4C and 4D .....	34																																																																																																				
Module 5: Test of Grade 4 Pupils .....	35																																																																																																				
Module 6: Assessment of Grade 4 teachers .....	38																																																																																																				
End of the first school visit .....	39																																																																																																				
Annexes .....	40																																																																																																				
Annex A. Team Codes .....	41																																																																																																				
Annex B. Geographic Codes .....	42																																																																																																				
Annex C. School Codes .....	43																																																																																																				
Annex D. GPS Coordinates .....	44																																																																																																				
Annex E. Time on Task Definitions .....	45																																																																																																				
Annex F. Random numbers tables .....	49																																																																																																				
Annex G. Text card for blackboard .....	50																																																																																																				
Annex H. Pupil Test Responses .....	51																																																																																																				
Annex I. Planning Sheet .....	53																																																																																																				
Annex J. School Control Statement .....	55
