Sampling

Sampling Procedure

In midline round 1 survey, the scope and sample is limited, as it focused specifically on the activities of the assigned demonstration farmers. In order to learn about sampling strategy in MLR1, please refer to the document: Sampling Strategies for MLR1.xlsx provided under the Related Materials tab. The above document provides a guide on how crop demonstration farmer(s) were sampled in a target village-district. To read about sampling strategy in baseline survey, please refer to the document: iapp_baseline_report_final_with_appendices.pdf provided under the Related Materials tab
