Literal question

The World Bank Group's "Shared Prosperity" goal captures two key elements, economic growth and equity. It will seek to foster income growth among the bottom 40 percent of a country's population. Improvement in the Shared Prosperity Indicator requires growth and well-being of the less well-off. When thinking about the idea of "shared prosperity" in your country, which of the following TWO best illustrate how this would be achieved in Vietnam - better opportunity for the poor and the vulnerable who live in rural areas?
