| Field   | Question   | Answer   |
|---|--|--|
| sexviolnote   | Q. CHECK ONCE AGAIN FOR PRESENCE OF OTHERS. DO NOT CONTINUE UNTIL EFFECTIVE PRICACY IS ENSURED.<br><i>ENUMERATOR READ: "Girls and women may experience unwanted sexual contact by people they know well, such as a romantic partner, family member or friend, or by strangers. The questions in these sections are personal, and may be uncomfortable to answer, but you will help us understand people's experience of sexual contact without their permission. Your answers are confidential and you can skip any questions you prefer not to answer. Also remember that you will not be judged and that there are no right or wrong answers. Please note that anytime we refer to "sex" we mean someone penetrating your vagina or anus with their penis, hands, fingers, mouth, or any other objects, such as a gun or a stick, or penetrating your mouth with their penis. Please remember that anything that has been done to you without your explicit permission or done by an adult is not your fault."</i> |  |
| sextouch_gs (required)  | Q1. Has anyone, male or female, ever touched you in a sexual way without your permission, but did not try and force you to have sex? Thank you so much for taking the time to complete this interview, I realize that some of the questions were difficult. Do you have any questions now that we are finished?</p> <p>Often, in answering questions such as these, people find that there are issues they would like to discuss further with someone who can give them additional information or support. We don't want to leave anyone with concerns that we might be able to help with. Before I leave, I want to let you know that you can contact me or other members of the research team at any time with questions or concerns. You can also go to a local health and psychosocial care providers to discuss the issues you talked about with me today. I can give you a referral list if you would like (Leave the care facilities contact list with her. If she does not want to take the list, inform her that she can contact the research team at any time for assistance).</p> |   |
