Hello! My name is working with Angkor Research and Consulting. We are currently conducting a survey about conditions in this village. Please let me know the real situation in your village and answer accordingly. Your answer will not change any assistance to your village or your household. It will only be used for research purposes. Please be assured that we will not share your answer with anyone other than the research team and no one can trace your answer to your name, your village or your commune.

You can pause or skip any questions at any time during the interview or ask to clarify any question. The interview will take around half an hour. It is not a test, and thus there is no right or wrong answer.

If you have question about this survey, you can contact to Mr. Khim Sarun via phone number: 023 222 501.

Do you have any questions for me?

Can I start asking my questions now?
