Section 7A: Inputs – Plot Level - First Season 2015

Respondent: plot manager (a person that makes the decisions concerning crops to be planted, input use and the timing of cropping activities on this plot)

To select the manager respondent follow the protocol (follow this protocol for all sections with more than one plot manager present):

- 1) If the head of HH is one of the managers & present --> ask the head
- 2) If head of HH is not one of the managers and spouse is one of the managers and she is present --> ask the spouse
- 3) If neither the head of the HH nor the spouse are managers --> ask the oldest manager present
- 4) If the head of the HH is not a manager but none of the managers are present --> ask the household head

Enumerator please read: We have talked about your crops planted and harvested in the first season of 2015 and the second of 2014. Now we are going to talk about your plots cultivated in the first season of 2015 (jan-jun2015). We will talk about the inputs you have used to cultivate them (fertilizers, pesticides...) and the labor you have used to cultivate them in the first season of 2015 (Jan-Jun 2015)

The following questions refer to inputs such as fertilizers and pesticides.

8	q19_child, q19_men, q19_wom	7.b	How much did you pay (including the value of in-kind payments) for a [man / woman / child]'s typical day of labor?	Discrete	Numeric	UGX paid to men / women / children	Enable if question 6 > 0	

Section 8: Second cropping Season 2014

Note: this section is asked before the Section on Inputs for parishes in Eastern Uganda, and after the Section on inputs for the parishes in Western Uganda

As before, we will start talking about your first parcel, talk about the plots in that parcel and then move to the following parcel. Enumerator do not read: the respondent in this section is the plot manager per plot

To select the manager respondent follow the protocol (follow this protocol for all sections with more than one plot manager present):

- 1) If the head of HH is one of the managers & present --> ask the head
- 2) If head of HH is not one of the managers and spouse is one of the managers and she is present --> ask the spouse
- 3) If neither the head of the HH nor the spouse are managers --> ask the oldest manager to present
- 4) If the managers are not around, ask the head of the household
