[ B ] HOUSEHOLD COMPOSITION

1. First of all, I would like to know how many persons actually live here and eat together in this household, counting all adults and children. Please tell me who they are, and what is their relationship to the Head of Household:  
(ENTER NAME AND RELATIONSHIP IN THE COLUMNS BELOW)

- (a) What about any other persons, are there any persons only staying here temporarily. (ENTER NAME AND WRITE R IN COL. (4) )  
(b) What about any other persons, are there any persons who have gone away for a short time. (ENTER NAME AND WRITE A IN COL. (5) )

2. Now, I would like to take you back to the CENSUS DAY - 25TH AUGUST, 1970. You will recall that some persons came to record information about persons staying here. Now, could you please tell me

- (a) Were there any persons here on Census Day (25th August) but not here now? Please tell me the names of all persons who have gone away somewhere, as well as any persons who may have since died  
(b) Were there any persons NOT HERE ON CENSUS DAY (25TH AUGUST) BUT HERE NOW? Please tell me the names of all persons who have arrived recently, as well as any births that have since occurred

3. Let me now read through the names once again. Please tell me if I have missed out anyone (READ SLOWLY). Of these, who were the persons who slept here in this house on CENSUS NIGHT - 24TH AUGUST, 1970? (TICK COL. (8) IF SLEPT HERE). Has anyone of those here been counted elsewhere e.g. hotel, train, etc.?

**NOTES**

(Use this space for any comments or calculation you wish to make)

**NOTE:** *IN THIS QUESTION WE WANT THE  
WESTERN DATE OF BIRTH. IF R. IS  
UNABLE TO GIVE EVEN PART OF  
IT, YOU SHOULD WRITE 'N. A.'  
THE CHINESE DAY, MOON MONTH  
AND CHINESE ANIMAL YEAR SHOULD  
BE GIVEN IN QUESTION 6.*

**Now, I would like to ask a few more questions about all those who live in this Household.**

[illegible]

### NOTES

(Use this space for any comments or calculation you wish to make)

*In case where R does not agree with age reported in document with what he feels his age, several questions may be asked to help R in determining the actual age:*

- a) Age of 1st child, and age at marriage. From this you can work back and determine R's age*
- b) Differences in age between husband and wife*
- c) Age when R immigrated to Malaya (if R is an immigrant) and when in relation to some International Event*
- d) Birth in relation to some popular local event*
- or e) Age in relation to some tree that is growing or a building that was built long ago*

*The idea is to use everything possible to help R refresh his memory and indicate true age.*
