*I am going to ask you about disputes and problems that people commonly experience in everyday life. In each case, please tell me whether or not you have had any such dispute or problem. These include disputes/problems that started within the past two years or those that may have started before and continued into the two year period. Please include only disputes/problems that you have had yourself, in a private capacity, not a problem experienced by business you run, in course of self-employment or by your employer, and not situations where you represented or helped somebody else with their problem.*
