

**Note to the Data Team:**

1. Please record the start times at the beginning of each section of the survey module
2. General response codes:
  - i. other = -997
  - ii. don't know= -998
  - iii. NA= -777
  - iv. Refused= -89
3. DO NOT include any of the text entered in RED. These are instructions for internal training purposes
4. Text entered in a box needs to be read out to the respondent. This text should feature on the tablet.
5. Questions with a star (\*) alongside are mandatory questions. The surveyor should not be able to save/send a form without filling in these mandatory questions.
6. Save form as center(AA1b)\_respname(AA4)\_resp unique ID (AA1cc). In case the patient is a minor (if "yes" is selected in AA5a) then save form as center(AA1b)\_patientname(AA5)\_resp unique ID (AA1cc).

**TBSPN Endline Survey 2018**

**Section X: Consent Letter**

I will start with reading out a consent form. This form will clearly explain the objectives of the study and relevant procedures. Upon signing this consent form you will have volunteered to participate in our study. However, you still have the right to withdraw your consent at any time during the survey.

**Note to data team: please insert a copy of the consent letter here (attached to the ticket). The surveyor should not be able to select option G1, G4 and G9 in Section G unless the consent letter has been given.**

**Section AAA: General Information**

AAA3*	Visit number	0 → ask questions AAA1, AAA2, then skip to section AA. In Section AA ask questions marked with a star then skip to section F  1 2 3		Please select visit number 0 in cases where there was no need to make even a first visit- if there is a counsellor warning, if the patient has MDR/XDR/TDR TB.
AAA1*	Date of the interview		Show 24 hour clock	The software will capture this automatically. But please make sure to check that the date recorded is correct
AAA2*	Time interview begins		This question doesn't actually shown on the tab. gets recorded automatically	The software will capture this automatically. But please make sure to check that the start time recorded is correct
AAA2a	Location of the interview	0= Health facility		

		1= Public space near the Health facility-> <b>Open box to specify</b> 2 = Respondent's home		
--	--	---	--	--

**Section AA: PII Information**

AA1.1a*	Zone		<b>Upload prefill data</b>	
AA1a*	Chest Clinic		<b>Upload prefill data</b>	
AA1b*	DMC		<b>Upload prefill data</b>	
AA1b.1*	DOTS		<b>Upload prefill data</b>	
AA1bb*	Treatment Group		<b>Upload prefill data</b>	
AA1c*	Respondent ID number	-----	<b>Restrict to four digits</b>	This is a unique ID that will be assigned to each respondent. This ID will be 4 digits long and will be entered alongside the respondent's name on the roster. Please make sure you enter the correct 4 digit respondent ID
AA1cc*	Respondent Unique ID	DOTS centre + patient ID	<b>Automatically generate based on the information (DOTS centre AA1b.1* + unique ID AA1c*) entered above. respondent unique ID should match the pool of unique ID codes listed in <a href="#">endline_resp_id_prefill.xlsx</a></b>	Each patient has a pre-assigned unique ID code. Once you enter the following information: Zone, DMC, DOTS centre, and unique patient ID, the system will generate a 11-digit unique ID code. Please confirm that this unique ID code matches the code on your patient list before proceeding
AA2*	Surveyor code		<b>Upload prefill data</b>	You will be assigned a unique ID code. Please enter that code here.
AA3*	Surveyor name		<b>Upload prefill data</b>	Once you enter your pre-assigned code, your name will automatically show up on the next screen. If your name does not show up on the

				screen and instead you see another surveyor's name there is a chance you have entered an incorrect surveyor code. Please go back to the previous question and check the code that you have entered.
--	--	--	--	---

AA4*	Respondent Name	First Name:  Last Name: <b>Instruction to Surveyor:</b> Please enter -666 if the respondent does not have a last name		Please enter the respondent first name and last name very carefully. Ask the respondent to repeat his/her first name and last name if you have not heard it correctly the first time.
AA5*	Patient Name	01= Same as Respondent Name (preview name entered in question AA4) (If option 01 is selected, answer in AA5a should be 0 or 2. )→ update patient name automatically from AA4  02= Enter new name: First Name, Last Name		If the current patient is a minor, the patient's name will not be the same as the respondent's name because as you know we will only survey individuals who are above 18 years of age. Please verify the age of the current patient before you answer this question. If the current patient is in fact a minor, please enter his/her name in this field. Make sure you have entered the minor patient's legal guardian in the previous question
AA5a*	Is the patient a minor?	0 = No 1 = Yes 2 = No, but too old, ill or disabled to answer the questions		If you have entered a patient name because the patient is a minor the answer in this question will be "yes".
AA9	Address of current residence	01= same as address entered in baseline questionnaire		Please note down the address carefully and completely such that if one your colleagues

	Instruction to enumerator: Please read all options out aloud one by one and select all that apply	08= Weakness		
		09= Exhaustion		
		10= None of the above		
A2.	<p>Have you had any of the following complains in the last one week?</p> <p>If “yes” is selected in AA5a then ask: Has your minor child had any of the following complains in the last one week?</p> <p>Instruction to enumerator: Please read all options out aloud one by one and select all that apply</p>	01= Fever	If option # 12 is selected, enumerator should not be able to select any other option	
		02= Headache		
		03= Cough		
		04= Sore throat		
		05= Stomach ache		
		06= Diarrhea		
		07= Earache		
		08= Toothache		
		09= Other pains (specify)		
		10= Weakness		
		11= Exhaustion		
		12= None of the above		
A2.1	<p>How often do you come to the health centre to collect your medicines?</p> <p>If “yes” is selected in question AA5a then ask: How often do you come to the health centre to collect your child’s medicines?</p> <p>If option 2 is selected in A0, then ask: How often did you visit the health centre during the last month of your treatment?</p> <p>If “yes” is selected in question AA5a and option 2 is selected in A0, then ask: How often did you visit the health centre during the last month of your child’s treatment?</p>	01= Everyday 02= Three times in a week 03= Once a week 04= Once in two weeks 05= Once a month 06= Someone else collects the medicines on my behalf -997=Other, specify _____		
A3.	<p>How much did you pay last week for your TB treatment, not including travel?</p> <p>If “yes” is selected in question AA5a then ask: How much did you pay last week for your minor child’s TB treatment, not including travel?</p> <p>If option 2 is selected in A0, then ask: How much did you pay on average in a week for your TB treatment, not including travel?</p> <p>If “yes” is selected in question AA5a and option 2 is selected in A0, then ask: How much did you pay on average in a week for your minor child’s TB treatment, not including travel?</p>	---		

	<p><b>Instruction for Enumerators:</b> Some of the costs incurred can be related to doctors' fees, injections or medication purchased or any other supplements purchased.</p>		
A4.	<p>What is your current, per week cost of transport (to and fro) to the health centre?</p> <p><b>If option 2 is selected in A0, then ask:</b> What was your per week cost of transport (to and fro) to the health centre?</p>	<p>01= Rs. _____ 02= No cost -998= don't know</p>	
A6.	<p>Have you had to take time off your usual activity because of TB?</p> <p><b>If "yes" is selected in AA5a then ask:</b> Has your child had to take time off from his/her usual activity (school) because of TB?</p>	<p>01= yes 02= no</p>	
A7.	<p>Has anyone else in your household had to take time off from their usual activity to care for you?</p> <p><b>If "yes" is selected in AA5a then ask:</b> Has anyone in your family, including yourself, have had to take time off from their usual activity to care for your minor child who has TB?</p> <p><b>Instruction to enumerator:</b> By usual activity we mean employment or household work or any other activity paid or unpaid that typically occupies most of your day</p>	<p>01= yes 02= no</p>	
A8.	<p>Have you or anyone in your family incurred a financial loss in the last six months due to your TB treatment?</p> <p><b>If "yes" is selected in AA5a then ask:</b> Have you or anyone else in your family incurred a financial loss in the last six months due to your child's TB treatment?</p> <p><b>Instruction to enumerator:</b> By financial loss we mean a loan that might have been incurred to pay for treatment or make up for lost wages, or loss in regular earning, or loss of savings, or needing to sell belongings to make up</p>	<p>01= yes → go to question A9 02= no → skip to questions A13</p>	

	<i>for lost wages or cover other costs associated with having TB.</i>		
A9.	How much would that amount to in total, for the last six months?	Rs.....	
A13.	Who usually goes to collect your medication from the health centre?  If “yes” is selected in AA5a then ask: Who usually goes to collect your minor child’s medication from the health centre?	01= respondent goes himself/herself 02= someone in the household goes on behalf of the respondent 03= someone outside the household goes on behalf of the respondent 04= an asha worker comes to the respondent’s home to deliver the medication→A17  01= Respondent goes to collect the minor child’s medication 02= someone in the household goes to collect the minor child’s medication 03= someone outside the household goes to collect the minor child’s medication 04= an asha worker comes to deliver the medication 05=minor child goes himself/herself to collect the medication→A17	
A5.	How much time does it take to get to the health centre (one way), using your regular transportation?  Instruction to enumerator: record the answer in minutes	_____ minutes	
A15.	How many friends/acquaintances/relatives have you happened to meet at the health centre? Think about those people who do not live in your household.		<b>Only ask this question if option # 01 is selected in question A13</b>  If “yes” is selected in AA5a, only ask this question if option #01 is selected in A13
A16.	On your last visit to the health centre, how much time did the provider spend talking to you?  Instruction to Enumerator: record the respondent’s answer in minutes	_ minutes	<b>Only ask this question if option # 01 is selected in question A13</b>  If “yes” is selected in AA5a, only ask this question if option #01 is selected in A13
A17.	Did the provider offer to help tell your family about your TB status when you were first diagnosed, or at any other time?  If “yes” is selected in AA5a, then ask: Did the provider offer to tell your family about your minor child’s TB status?	01= yes 02= no 03=Family already knew	

A18.	Did the provider at the health centre encourage you to motivate other people to get tested for TB when you started treatment at the health centre?	01= yes 02= no	
A19.	Has the provider at the health centre helped with advice or medicine for any other illness/complaint? <b>If “yes” is selected in AA5a, then ask:</b> Has the provider at the health centre helped with advice or medicine for any other illness or complaint that your child had faced?	01= yes 02= no	
A19.1	Do you think you are getting good treatment for your illness?”	0=No 1=Yes	
A19.2	What do you think of the following services provided at the health centre?	1=Operating hours 2=Waiting time 3=Centre location 4=Provider’s qualifications/training 5=Provider’s way of talking to patients 6=Waiting area 7=the amount of time the provider spends with you (explaining and caring for you) 8=the information the provider gives you about TB or your treatment 9=the way that your privacy is protected by the provider 10=the way that your dignity is protected by the provider 11=the effort the provider makes to take good care of you	Data Team: Please provide the following 3 options for each case: a. I like this and it should stay the same b. It’s okay and does not have to change c. I don’t like this and it should be changed
19.3	Did you ever go to the health centre to get your medicines but couldn’t collect it?	0=No >> A19.4 1=Yes >> A19.3.1	
19.3.1	Why couldn’t you collect it?	1=The medicines were not available 2=The provider was not available 3=The health centre was shut 4=The line to collect medicines was too long -997=Other → Open box to specify ____	
A19.4	Do you think the health centre is a good place for your friends or family to get treatment for TB, if they needed it?	0=No >> A19.6 1=Yes >> A19.5	
A19.5	Why do you think it is a good place?	1=It is close by 2=It is at a convenient location 3=It is free or inexpensive 4=The service is good 5=They have good facilities -997=Other -> Open box to specify	
A19.6	Why don’t you think it is a good place?	1=It is far away 2=It is not at a convenient location 3=It is expensive 4=The service is poor 5=They have poor facilities -997=Other -> Open box to specify	

A20.	Are you additionally going to/have gone to another healthcare provider for TB treatment?  If “yes” is selected in AA5a then ask: Are you additionally going to/have gone to another health care provider for your child’s TB treatment?	01= yes→A21 02= no → A10	
A21.	Why are you also seeking another provider?  <u>Allow upto three responses</u>	01= Side effects of medicine, 02= want a second opinion, 03= trust other doctor more, -997= other→Open box to specify, _____	
A22.	What type of provider is this?	01 = Public facility 02 = Private facility 03 = NGO/Trust -997 = Other → Other, specify _____ -998 = Don’t know/Not sure	
A10.	In the last three months, have you sought medical care from any other doctor/medical practitioner for any type of illness?  If “yes” is selected in AA5a then ask: In the last three months have you sought medical care for your child from any other doctor/medical practitioner for any type of illness?	01= yes→ A12 02= no → <b>for treatment groups 1-4 skip to section B. In case of control group skip to Section D.</b>	
A12.	For what health issue/ illness did you visit this person/ hospital?	01= cough 02= sore throat 03= diarrhea 04= earache 05= toothache 06= fever -997=other	
A11.	Who did you visit?	01 = Doctor (Allopathy) 02 = Doctor (Homeopathy) 03 = Doctor (Ayurveda) 04 = Chemist 05 = Traditional Healer 06 = Quack -997=Other -> Open box to specify	<b>For treatment groups 1-4 skip to section B. In case of control group skip to Section D.</b>

### Section B: Referral Cards

We will now ask you a few questions related to our referral scheme that we had introduced to you during the last survey

#### For groups 1-2

**Note to data team: In case of treatment groups 1-2, Ask the following set of questions:**

**If “Yes” is selected in AA5a then insert the following instruction:**

**Instruction to enumerator:** *if the patient is a minor please address the following questions to the minor’s legal guardian*

B1.	When we surveyed you previously, were you given any referral cards by the survey enumerator? <b>Instruction to enumerator:</b> Show the respondent a sample referral card to ensure that he/she knows exactly what you are referring to.	01= yes→B2 02=no→ B17	
B2.	How many cards were you given? By this I mean, how many cards did you get from the person who interviewed you the last time?	--- -998= don't know	
B3.	I am going to read out a list of people. Can you tell me if you think they were to receive a reward if someone came to the health centre with this card? And if they did can you also tell us the reward amount? <i>Select all options that apply</i>	Person 01= You 02= Person you Referred 03= Health Provider 04= Govt Health Department 05= None of the above  Amount	<b>Insert two columns side by side, one for person and another for amount</b>
B4.	What do you think is the purpose of distributing these cards?  <i>Allow upto three responses</i>	01= Getting more people treated for TB, 02= Giving out reward money 03= Getting information from patients, 04= helping government find more TB patients, 05= helping the survey enumerator, -998 = don't know, -997 =other	
B5.	Think about what happens when more people get treated for TB. Who is made better off because more of the people who have TB get treatment? <i>Allow upto three responses</i>	01= Society, 02= You personally, 03= TB patients 04=Person you referred, 05= Your family, 06= Government, -997=other -998= don't know	
B6.	Did you offer or try to offer anyone a card, even if they refused to accept it?	01= yes→B10 00= no →B17	
B7.	How many people did you offer or try to offer a card to?	---	
B10a	Did you ask for additional cards after the survey?	01=yes→B10b 00=no→B10	
B10b	How many cards did you ask for?	---	
B10.	Would you have given out more cards if you had more time, or was there already enough time?	01=yes, I could have used more time 00=no, there was already enough time	
B14.	Did someone else give out the cards on your behalf?	01=yes→B15 02=no →B16.1	
B15.	Who gave out the cards for you?  <i>Allow multiple choice selection</i>	01= spouse 02 = brother/sister, 03 = brother in law/sister in law, 04 = child, 05 = parent, 06 = parents in law 07 = cousin, 08 = niece/nephew, 09 = uncle/aunt, 10 = other relative,	

		11 = friend, 12 = co-worker, 13 = boss/employer, 14 = customer, 15 = neighbour, 98 = other	
B16.	Did you offer to split the reward with any of them?	01= yes 02= no	<b>Only ask this question in case of treatment group 2.</b>
B16.1	Since we gave you the referral cards to distribute, how many social occasions, such as a marriage, a fair, a birthday celebration have you attended?	01= none 02= one 03= two 04= more than two	

When we interviewed you first we asked you for details of your friends and family who you thought would benefit from a free TB screening. We understand that plans can change so we are first going to ask you if you ended up distributing cards to people you had mentioned during the baseline survey and we will then inquire about others who you might have distributed the cards to. During the baseline survey you mentioned that you would distribute cards to the following people:

**Note to Data Team: we would like to prefill the referral roster entered in the baseline survey. We will match the answers based on the respondent unique ID code. So for instance if respondent with ID code 12345 is being surveyed at endline we should pre-fill the roster of names (only names) given by the same respondent during the baseline from the shared excel sheet. For each entry corresponding to the respondent ID of the baseline survey, we will ask the following questions:**

B17.	Did you try to give ----- a card ?	01= yes→B19 02=no →ask B18, B18.1 and skip straight to B48 03 = respondent confirmed not having received any card>> Skip to Sec D	
B18.	Why didn't you try to give -----a card? <i>Allow upto three responses</i>	01= changed my mind about his/her requiring a TB test/treatment 02= the person got healthier so I thought he/she didn't require a TB test anymore 03= I didn't get a chance to meet the person 04= the deadline for giving out the cards elapsed 05= didn't find the time to distribute cards 06= was afraid the person would get offended if I gave him/her a card 07= was afraid that giving the card would reveal my own TB status 08= approached the referral but he/she refused to take the card 98= Other	

B18.1	Since we gave you the referral cards how many times have you met ----- -?	01= Not even once 02= once 03= twice 04= more than two times	
B19.	Had ----- heard of the health centre before you tried to give him/her a card?	01=yes 02=no -998=don't know	
B20.	Did ----- know you are being treated for TB at health centre before you tried to give him/her a card?	01=yes →B23 02=no→B22 -998= don't know	
B22.	Did you reveal your TB status to ----- ?	01=yes 02=no	
B23.	How soon after your baseline survey did you try to distribute the card to ----- -----	01=within a day or two → B25 02=within a week →B25 03- within two weeks→B24 04=within a month→ B24 05=More than one month later→B24 06= don't know, someone else distributed on my behalf	
B24.	Why did you wait for so long to give ---- - a card?  <i>Allow upto three responses</i>	01= Didn't have time to meet them, 02=Spent some time thinking about whether or not to give the card, 03= Consulted someone else first about whether or not I should give the card, 04= Forgot about distributing the card until I received a reminder 05= the referral was not available 98= other	
B25.	How many cards did you give -----?	-----	
B26.	Did you give ----- a card for himself/herself to get tested or to distribute to others?  <i>Allow multiple choice selection</i>	01 = for him/her to use himself, 02 = for him/her to use for a child in the household, 03 = for him/her to use for someone else in the household, 04 = for him/her to distribute to others, 05= for him/her to use as well as to distribute	If option 02,03,04 is chosen then skip questions B31 to B34 and B38 to B44
B27.	Did ----- accept the card?	01=yes→B29 02=no→ask B28 and then skip straight to B35	
B28.	Why did they not accept the card?  <i>Allow upto three responses</i>	01= didn't think he/she had TB or needed a test 02 = didn't have time to go to the health centre, 03 = didn't want to know the result of the test, 04 = didn't want	

		anyone to know he/she were being tested, 98= other	
B31.	Did ----- go to the health centre?	01=yes→B35 02=no→B34 -998= don't know→B35	
B34.	Why didn't they go to the health centre?  <i>Allow upto three responses</i>	01 = didn't have time to go, 02 = didn't want to know the result of the test, 03 = didn't want anyone to know he/she were being tested, 04 = didn't think he/she had TB/needed a test, 98 = other	Skip this question if "yes" or "don't know" is selected in B31.
<b>Note to Data Team: Insert questions B35 to B37 ONLY in case of treatment group t2</b>			
B35.	Did you tell them about the reward?	01=yes→B36 02=no →B38	
B36.	Did you offer to share the reward money with them?	01=yes→B37 02=no→B38	
B37	What amount from the reward money did you offer to share with them?	-----	
B47	Do you discuss the following with this person?	01= health issues 02= job advice 03= raising kids 04= movies/entertainment 05= None of the above	Enable multiple choice selection
B48	Did you end up giving anyone else a card, aside of those you mentioned during the baseline survey?	01= Yes→ Open roster with 10 entries 02= No→B54	
B49	What is your relationship to -----	01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 14= spouse, 15= daughter, daughter-in-law 98 = other	
B50	Is ----- male or female	01=male 02=female	
B51	How old is -----	01=record age -998 =don't know	
B52	How long have you known ----- --	01=record years 02= less than one year 03 =my whole life	
B53	Why do you think----- should be tested?  <i>Allow upto three responses</i>	01 = cough, 02 = weight loss, 03 = fatigue, 04 = fever, 05 = loss of appetite, 06 = night sweats, 07 = chills, 08= knot in the body/swollen lymph nodes 09= pain in the body/joints 10 = exposed by me, 11 = exposed by	

		someone else in the HH, 12 = exposed by someone not in the HH, 13 = at risk because of job, 14 = at risk because of other health problems, 98= other	
B54	<p>Is there anyone else you would now like to give a card to although the scheme is over? (within the scheme conditions)</p> <p>Even though our scheme is over you could encourage them to get themselves tested at the health centre.</p>	<p>01= yes→ open roster 02= no</p>	<p>Roster→</p> <p>a. What is your relationship to this person? Options→ 01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other</p>
B55	<p>We had initially told you that you could not distribute cards to anyone who lives in your household. Although the scheme is over, we are curious to know, is there anyone from within your household that you would like to distribute a card to?</p> <p>Even though our scheme is over you could encourage them to get themselves tested at the health centre.</p> <p><b>Instruction to enumerator: by household we mean those people who have been living under the same roof as you for the last six months and have been eating food made from the same stove</b></p>	<p>01= yes→ open roster 02= no→B56</p>	<p>Roster→</p> <p>b. What is your relationship to this person? Options→ 01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other</p>
B56	<p>We had initially told you that you could not distribute cards to anyone who lives outside this city. Although the scheme is over, we are curious to know, is there anyone you know who lives outside this city that you would like to distribute a card to?</p>	<p>01= yes→ open roster 02= no→B57</p>	<p>Roster→</p> <p>c. What is your relationship to this person? Options→ 01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 =</p>

	Even though our scheme is over you could encourage them to get themselves tested at the health centre.		parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co- worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other
B57.	How many people do you think came to the health centre because of your efforts?	_____	
B58	Do you think that you could get more people to get tested, from among those you know?	1=Yes 0=No 2=Don't know anyone who may have TB	
B59	Do you think most of your contacts want to get tested, they just haven't gotten around to doing it yet?	1=Yes 0=No 2=Don't know anyone who may have TB	
B60	Do you think that getting your contacts to get screened makes your role in society more meaningful?	1=Yes 0=No 2=Don't know anyone who may have TB	

#### For groups 3-4

**Note to Data Team: Ask the following set of questions for treatment groups t3-t4**

B1.	Were you asked to list names of people who you would like to recommend for TB screening?	01=yes→B2 02=no →skip to B6.	
B2.	How many names were you asked to list as referrals?	_____	
B3.	I am going to read out a list of people. Can you tell me if you think they were to receive a reward if someone came to the health centre with this card? And if they did can you also tell us the reward amount?  <i>Select all that apply</i>	<b>Person</b> 01= You 02= Person you Referred 03= Health Provider 04= Government health department 05= None of the above  <b>Amount</b>	<b>Insert two columns side by side, one for person and another for amount</b>
B4.	What do you think is the purpose of referring the names for TB screening?  <i>Allow upto three responses</i>	01= Getting more people treated for TB, 02= Giving out reward money, 03= Getting information about TB patients, 04= helping Op Asha counsellors,	

		05= helping the survey enumerator, -998 = don't know, -997 =other	
B5.	Think about what happens when more people get treated for TB. Who is made better off because more of the people who have TB get treatment?  <i>Allow upto three responses</i>	01= Society, 02= You personally, 03= Person you referred, 04= Your family, 05= The patient's family, 06= Government, , 98=other	
B6.	Did you give the names of any suspects to the survey enumerator during your last survey?	01= yes→B7 02= no → If response in B1 was also no (02), then skip to the <b>instruction</b> after B10. If response in B1 was yes (01), then skip to B10	
B7.	How many names did you give the enumerator during the survey?	---→If the answer is 0 skip to question B38	
<b>Note to Data Team: Ask questions B35-B37 only for group T4</b>			
B35.	Did you tell them about the reward?	01=yes→B36 02=no →B38	
B36.	Did you offer to share the reward money with them?	01=yes→B37 02=no→B10	
B37	What amount from the reward money did you offer to share with them?	-----	
B10	Would you have wanted more time to suggest referrals?	01=yes 02=no	
Reload roster containing referral names that were provided in the baseline survey and ask the following questions for each person in the roster: <b>(Data Team: If there are no names in the roster then ask questions B54-B57 and then go to Section C)</b>			
When we interviewed you first we asked you for details of your friends and family who you thought would benefit from a free TB screening. We understand that plans can change so we are first going to ask you if you ended up giving names of people during the baseline survey and we will then inquire about other people's names you might want to give. During the baseline survey you mentioned that you want to refer the names of the following people:			
B8.	Did you speak to <referral name from roster> about the referral cards or tell them that someone will come to give them a referral card?	01= Yes 02= No	
B47	Do you discuss the following with <referral name from roster>  Select all that apply	01= health issues 02=job advice 03=raising kids 04=movies/entertainment 05=None of the above	Enable multiple choice selection
B48	Did you suggest names of any referrals after the baseline survey? (like on phone)	01=yes→ open roster 02=no→Section C	Roster→ a. First Name b. Last Name c. What is your relationship to this person? Options→ 01 = brother/sister, 02 = brother in law/sister in law,

			03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other
B49	What is your relationship to -----	01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other	
B50	Is ----- male or female	01=male 02=female	
B51	How old is -----	01=record age -998=don't know	
B52	How long have you know -----	01=record years 02= less than one year 03=my whole life	
B53	Why do you think----- should be tested?  <i>Allow upto three responses</i>	01 = cough, 02 = weight loss, 03 = fatigue, 04 = fever, 05 = loss of appetite, 06 = night sweats, 07 = chills, 08 = exposed by me, 09 = exposed by someone else in the HH, 10 = exposed by someone not in the HH, 11 = at risk because of job, 12 = at risk because of other health problems, 98= other	
B54.	Would you like to suggest any referral names now? (as per the conditions of the scheme)  <i>Even though our scheme is over you could encourage them to get themselves tested at the health centre.</i>	01= Yes → open roster 02= No → B55	Roster → a. What is your relationship to this person? Options → 01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12

			= customer, 13 = neighbour, 98 = other
B55.	<p>We had initially told you that you could not suggest names of anyone who lives in your household. Although the scheme is over now, we are curious to know, is there anyone from within your household whom you would want to refer for free TB screening?</p> <p>Even though our scheme is over you could encourage them to get themselves tested at the health centre.</p> <p><i>Instruction to enumerator: by household we mean those people who have been living under the same roof as you for the last six months and have been eating food made from the same stove</i></p>	01= yes→ open roster 02= no→B56	<p>Roster→</p> <p>a.What is your relationship to this person?</p> <p>Options→ 01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other</p>
B56.	<p>We had initially told you that you could not distribute cards to anyone who lives outside of this city. Although the scheme is over now, we are curious to know, is there anyone you know who lives outside of this city whom you would want to refer for free TB screening?</p> <p>Even though our scheme is over you could encourage them to get themselves tested at the health centre.</p>	01= yes→ open roster 02= no→B57	<p>Roster→</p> <p>a. What is your relationship to this person?</p> <p>Options→ 01 = brother/sister, 02 = brother in law/sister in law, 03 = child, 04 = parent, 05 = cousin, 06 = niece/nephew, 07 = uncle/aunt, 08 = other relative, 09 = friend, 10 = co-worker, 11 = boss/employer, 12 = customer, 13 = neighbour, 98 = other</p>
B57.	How many people do you think came to the health centre because of your efforts?	—	
B58	Do you think that that you could get more people to get tested, from among those you know?	1=Yes 0=No 2=Don't know anyone who may have TB	
B59	Do you think most of your contacts want to get tested, they just haven't gotten around to doing it yet?	1=Yes 0=No	

		2=Don't know anyone who may have TB	
B60	Do you think that getting your contacts to get screened makes your role in society more meaningful?	1=Yes 0=No 2=Don't know anyone who may have TB	

### Section C: Reward Information

**Note to data team: Ask this section ONLY for Treatment Groups 1 to 4.**

C0.	How was the scheme about referring other people for TB screening explained to you?	1=I was a shown a video 2=The person accompanying me to the health centre was shown a video 3=I did not see the video, the surveyor explained the scheme to me 4=I saw the video and then the surveyor explained the scheme to me -997=Other → Open box to specify _____	
C1.	<b>In case of treatment groups 1-2 please ask:</b> Were you told you would receive any reward for distributing the card or was there no reward?  <b>In case of treatment groups 3-4 please ask:</b> Were you told you would receive any reward for suggesting names of referrals or was there no reward?	01= yes → C2 00= no → C5	
C2.	What is the amount per card you were told you would receive?  Instruction to Enumerator: we are interested in knowing the amount due per card and not the total amount that the respondent was due to receive on all cards distributed.	----	
C3.	Did you receive the full reward amount that you were due to receive for all the people you referred to the health centre?	01= yes → C5 02=no → C4 -777= Not applicable, because I did not refer anyone → C5	
C4.	How much were you expecting to receive for all the people you referred to the health centre?	---	

	Instruction to Enumerator: we are interested in knowing the total amount that the respondent was expecting to receive on all cards distributed, not the amount expected per card.		
C5.	Did you hear of anyone else getting a reward?  <b>Instruction to Enumerator:</b> by anyone else we mean others who are also seeking treatment at the health centre and may have been part of our referral scheme.	01=yes→C6 02=no →C7	
C6.	How much did this person get in total for each new person that came in?  Instruction to Enumerator: we are interested in knowing the amount received per person, not the total amount received.	---	
C7.	Do you have any other comments on the promotion scheme?	01= yes→lead enumerator to an open field to enter the comment 02=no→section D	

#### Section D: Optimism and Happiness

D1.	During the past 7 days, how often did you feel the following?  Instruction to surveyor: read all options aloud	<table border="1"> <tr><td>Hopeless</td></tr> <tr><td>That everything is an effort</td></tr> <tr><td>Worthless</td></tr> <tr><td>Relaxed and peaceful</td></tr> <tr><td>Happy</td></tr> <tr><td>Envious of others</td></tr> <tr><td>Angry</td></tr> <tr><td>Unable to sleep</td></tr> <tr><td>Prone to crying</td></tr> </table>	Hopeless	That everything is an effort	Worthless	Relaxed and peaceful	Happy	Envious of others	Angry	Unable to sleep	Prone to crying	For each option mentioned in the column on the left hand side, ask:  01= often, 02= sometimes, 03= never
Hopeless												
That everything is an effort												
Worthless												
Relaxed and peaceful												
Happy												
Envious of others												
Angry												
Unable to sleep												
Prone to crying												
D2.	Compared to one year ago how would you describe the overall quality of your life?  Instruction to surveyor: read options out aloud	01= better 02= worst 03= same										
D3.	Compared to last year do you think your city/district is doing better, worst or the same?	01= better 02= worst 03= same										

	Instruction to surveyor: read options out aloud		
--	---	--	--

**Note to Data Team: display this message for Control group and for Treatment Groups 3 and 4**

We have now reached the end of our endline survey. We sincerely thank you for your time and we apologize for any inconvenience that we may have caused in the process.

### Section E: Buy-Back Scheme

**Note to Data Team: include this section ONLY for t1-t2 groups**

I have asked you this before but I would like to ask you again, how many cards do you have left over? I would like to buy the left over cards from you. I will give you Rs. 10 for each card that you are able to return back. Could you tell me how many cards you have left over?

E0.	Number of cards given at baseline	Prefill data	
E1.	Number of cards distributed?	----	<b>data team: this number has to be between 0-E0. If B10a=1, this number should be between 0 and (E0 + B10b)</b>
E2.	Total reward received for distributing cards?  Instruction to surveyor: please ask for the total reward received on all cards that have been distributed, not the reward received per card.	----	<b>Data Team: Only for T2</b>
E3.	Number of cards left over?	---	<b>Data team: this number has to be between 0-E0. If B10a=1, this number should be between 0 and (E0 + B10b)</b>
E4.	Buy-back amount received?  Instruction to surveyor: enter the total amount you have given to the respondent for all cards that he/she has returned to you.	-----	
E4.1	Enter voucher number listed on the payment voucher handed to the referral		Skip this question if 0 is entered in E4.
E5.	Number of cards misplaced?	-----	<b>Data team: this number has to be between 1-E0. If B10a=1, this number should be between 0 and (E0 + B10b)</b>

**Note to Data Team: DO NOT display this message for control group and for treatment groups 3 and 4**

We have now reached the end of our survey. We sincerely thank you for your time and your willingness to participate in our referral scheme and we apologize for any inconvenience that we may have caused in the process.

### Section F: Comments

Note to data team: leave a blank space here for the surveyor to enter comments. Enable the surveyor to move forward without entering anything.

### Section G: Survey Status Code

G1	Survey Complete	Survey Complete	<b>All survey questions (ones marked mandatory and ones not marked mandatory) should be filled in order to select this option and proceed to saving the form</b>	<b>You will only select this code- if the survey is completely complete! Meaning all questions have been answered</b>
G2	MOVED  Moved where? (Data team: Open textbox to specify)  _____	Respondent has moved to another city/district	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	<b>Please ensure that you have thoroughly verified this information before selecting this option. You can verify this information by first asking the Op ASHA counsellor. If the counsellor doesn't know you can discreetly ask the respondent's neighbour.</b>
G3	Died	Respondent has passed away	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	<b>Please verify this information by asking the respondent's family members and/or Op ASHA counsellor</b>
g4	PARTIALLY COMPLETE	Survey is incomplete	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are</b>	<b>You will only select this option when the respondent is for some reason unable to complete the survey. Please fix another</b>

			<b>NOT marked mandatory</b>	appointment with the respondent.
G5	REFUSED	Respondent refused to answer survey questions	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	You will select this option if the respondent indicates that he/she does not wish to be surveyed. Ask if you can come back some other day. If he/she refuses even then please select this option and move on.
G6	RESP NOT FOUND	Unable to track respondent after making 3 or more visits to his/her home	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	
G7	Provider warning	Provider Warning	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	You will receive this information from the health provider at the DMC and DOTS centre
G8	MDR/XDR/TDR	Multi Drug Resistant TB/Extremely Drug Resistant TB/Totally Drug Resistant TB	<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	You will receive this information from the health provider at the DMC and DOTS centre.
G9	CONSENT WITHDRAWN		<b>Surveyor can only select this option once the consent letter has been signed and the mandatory questions have been answered.</b>	Select this option only AFTER the consent form has been signed. If the respondent agrees at first to be surveyed but withdraws his/her consent as the survey goes on and

				he/she DOES NOT wish to be surveyed at any later date, you should select this option. Please note that this option is different from the Refused option and the Partially Complete option.
G98	OTHER= give reason		<b>Surveyor should be able to scroll to the end of the form, select this option and save form without completing questions that are NOT marked mandatory</b>	Please CLEARLY specify the status code. When your supervisor, filed manager or the research associate reads this he/she should understand exactly what the status code is

#### Section H: Re-entering Unique ID code

H1	Current Patient ID	-----	In this section, you will have to enter the 10 digit unique ID code that this entered in the roster alongside the patient's name. The system will not let you proceed to save the form unless the unique ID code matches the code that has been generated in section AA of the survey.
----	--------------------	-------	--

#### Section Y: Record GPS coordinates

I would like to record the location of your home. As I mentioned earlier, this information will be kept securely and will not be shared. I will need to move over to an open space in order to record your location accurately so please excuse me. I will take only a minute to do this.

**Note to data team: this is NOT a compulsory question. The surveyor should be allowed to move forward without entering the GPS co-ordinates**

*Instruction to Surveyor: Only record coordinates if the survey is taking place at the respondent's home*

## Section Z: Survey Accompaniment

Z0.	Any accompaniment?	0= No >> End survey 1=Yes >> Z1
Z1	Designation	1= Research Team Member 2= RFC 3= PA 4= FM 5= Monitor 6= Supervisor -997 = Other, _____
Z2	Name	_____
