"Showing Life Opportunities"

1. Name of the study:

"Showing Life Opportunities: Increasing Entrepreneurship by Opportunity and STEM Careers through Online Courses at Schools".

2. Purpose of the study:

The project seeks to identify the effectiveness of some online courses, as well as certain learning strategies. Training will be offered that can improve their skills and knowledge.

We have developed all the content with the support of grants from the Innovation Growth Lab (NESTA Foundation), SIEF (World Bank), INCHER (University of Kassel). In addition, the program was designed by academics from the HEC Paris Business School, the University of Warwick, the University of Kassel and the World Bank. The content has been approved by the Ministry of Education of Ecuador and the Ethics Committee of the San Francisco de Quito University.

3. Location: Ecuador
