SERIES INFORMATION
The World Bank Group Country Opinion Survey Program (COS) is an ongoing effort to systematically gauge and track the perceptions and views of the World Bank Group's clients and partners across the globe, over time. The survey data provide the institution with a more in-depth understanding of the views of stakeholders on issues related to the World Bank's work on the ground (how it operates, its relationships, and its knowledge) and other development-related issues. The program is overseen by the Department of External and Corporate Relations, Business Intelligence Team. This collection hosts open, accessible survey data from 29 countries collected in FY 2012 (July 2011-June 2012), 41 countries in FY 2013 (July 2012-June 2013), 42 countries in FY 2014 (July 2013-June 2014), 35 countries in FY 2015 (July 2014-June 2015), 45 countries in FY 2016 (July 2015-June 2016), 35 countries in FY 2017 (July 2016-June 2017), and 39 countries in FY 2018 (July 2017-June 2018), 42 countries in FY 2019 (July 2018-June 2019), 21 countries in FY 2020 (July 2019-June 2020), 36 countries in FY 2021 (July 2020-June 2021), 23 countries in FY 2022 (July 2021-June 2022) and 30 countries in FY 2023 (July 2022-June 2023). All data will be regularly updated, and more countries will be added as data becomes available.

ABSTRACT
The Country Opinion Survey in Türkiye assists the World Bank Group (WBG) in better understanding how stakeholders in Türkiye perceive the WBG. It provides the WBG with systematic feedback from national and local governments, multilateral/bilateral agencies, media, academia, the private sector, and civil society in Türkiye on 1) their views regarding the general environment in Türkiye; 2) their overall attitudes toward the WBG in Türkiye; 3) overall impressions of the WBG's effectiveness and results, knowledge work and activities, and communication and information sharing in Türkiye; and 4) their perceptions of the WBG's future role in Türkiye.

KIND OF DATA
Sample survey data [ssd]

UNIT OF ANALYSIS
Stakeholders of the World Bank Group in Türkiye.

Sampling

SAMPLING PROCEDURE

From June 2023 to August 2023, a total of 1,151 stakeholders in Türkiye were invited to provide their opinions on the WBG's work by participating in a Country Opinion Survey. A list of potential participants was compiled by the WBG country team and the fielding agency. Participants were drawn from the Office of the President, Prime Minister, minister, office of a parliamentarian, government institutions, local governments, bilateral/multilateral agencies, the private sector, civil society, academia, and the media. Of these stakeholders, 167 participated in the survey.

RESPONSE RATE

The response rate was 15%

The results of this year's survey were compared to the FY20 Survey with a response rate of 35% (N=289). Comparing responses across Country Surveys reflects changes in attitudes over time, but also changes in respondent samples and the survey instrument itself. To reduce the influence of the latter factor, only those questions with similar response scales/options were analyzed. To address the differences in the sample composition, the data were weighted to reach comparable stakeholder composition in two years.

Data collection
