

Sierra Leone Distance Learning – Midline Questionnaire

Date of Assessment:

Enumerator's Name:

Introduction

Hello, I'm calling from Montrose International. We are working in partnership with Rising Academies and the schools your children attend to conduct research on how effective distance learning has been in Sierra Leone whilst schools have been closed.

Are you the parent or caregiver for the children in this household? [YES, NO]

[If answer = YES] *Continue the questionnaire.*

[If answer = NO] Is the parent or caregiver for the children in this household available to speak? [YES, NO]

[If answer = YES] *Ask for the phone to be handed to the parent/caregiver. Reintroduce yourself to the parent/caregiver and re-state the aim of the study.*

[If answer = NO] *Ask when the parent/caregiver will be available to speak and if it is possible to speak to them on the same number. Take a note of this information on your call register and say that you will call back then. Thank them for their time, end the conversation and close the questionnaire tool. Use a new questionnaire for the next respondent.*

[If answer = YES] Thank you. This questionnaire aims to give us a better understanding of children's education experiences in Sierra Leone since schools have been closed due to COVID-19. The questionnaire will take approximately 10 minutes of your time. Please keep in mind that your participation in this questionnaire is voluntary. The information provided will remain strictly confidential and you will not be identified by your answers. Data will be compiled as a whole with no individual responses tied to your name or any identifying information about you. All information disclosed during the questionnaire will be kept in a secure location. You can withdraw from the questionnaire at any time. Are you happy to start? [YES, NO]

[If answer = NO] *Take a note of this on your call register. Thank them for their time, end the conversation and close the questionnaire tool. Use a new questionnaire for the next respondent.*

[If answer = YES] *Continue the questionnaire.*

Parent Questionnaire

Could I please start by confirming your name?

Our records show that these children are part of your household, [read out children's names from survey sample list]. Is that correct? [YES, NO]

Are there any other school age children (between the ages of 6 and 14) in your household? [YES, NO]

[If answer = YES, remember to enter the child(ren)'s name into Household Roster 1 below and answer the questions in the roster.]

Use Household Roster 1 below for the next part of this questionnaire. Answer each of the questions for each school-age child in the household one by one. Note: Household Roster 1 should include each child confirmed by the respondent from the midline sample list, plus any additional school-age children (between the ages of 6 and 14) who are part of the household that the respondent mentioned. [Use the "+" button at the bottom of the Household Roster to add a new child to the roster.]

Household Roster 1

We will go through each school-age child one by one for the next part of the questionnaire.

Please confirm your child's name.
