3.2 Editing

The skip pattern induced by a no answer to question 1 has not been followed by one health facility. Instead of a zero, answer to question 2 has been replaced by missing.

The skip pattern induced by a no answer to question 8 has not been followed by 44% of health facilities. Instead of a zero, answer to question 2 has been replaced by missing when no vehicles are owned by the facility.

The skip pattern induced by a no answer to question 19 has not been followed for 4 of health facilities. Instead of a no, answer to question 19 has been replaced by a yes when the number of visits was different from zero. For another 4 facilities, the answer to question 19 has been replaced by missing when the number of visits was equals to zero. Answers to question 21 have been replaced by missing when answers to question 19 were zero to respect the skip pattern induced by question 19.

Answer to question 1 section D has been replaced by missing instead of zero to respect the skip pattern induced by question 1 section B.

Answer to question 9 section has been replaced by yes for one health facility as next question concerning the place displaying revenues was specified.
